## LICENSING ACT 2003

### THE LICENSING ACT 2003 (HEARINGS) REGULATIONS 2005

#### PROCEDURE FOR THE CONDUCT OF HEARINGS

##### **1. Preliminary**

- 1.1. Under the regulations, the Licensing Authority is required to determine the procedure that it proposes to follow at any hearing under the Act. This document sets out the procedure that Fylde will normally follow.
- 1.2. A panel may decide to follow a different procedure at any hearing. If it does, it will specifically draw attention to any departures from the procedures set out in this document and the reasons for them.
- 1.3. Please refer to the regulations for other rules about procedure

##### **2. Interpretation**

In this procedure, the following words or phrases have the following meanings:

applicant	an applicant for a licence or any person who has a licence which may be reviewed or revoked as a result of the hearing
act	The Licensing Act 2003
licence	Includes any consent or permission under the act
panel	A sub-committee established by Fylde Borough Council under section 10 of the act
regulations	The Licensing Act 2003 (Hearings) Regulations 2003, and any reference to a numbered regulation is to the regulation so numbered in that statutory instrument
witness	A person given permission to appear at the hearing under regulation 8(2)

##### **3. Before the hearing**

- 3.1. At least ten days before the hearing, the panel will meet to consider:
  - 3.1.1. If the circumstances set out in regulation 9(1) apply, whether to dispense with holding a hearing;
  - 3.1.2. What, if any, particular points it considers it will want clarification on at the hearing from a party under regulation 7(1)(d), and
  - 3.1.3. What time limit to set under regulation 24.
- 3.2. If it is not practicable for the panel to meet to consider these matters, the convenor may ascertain the views of panel members separately and give effect to the majority view as if it had been reached in a meeting of the panel.

#### **4. *Opening the hearing***

- 4.1. The convenor will identify all parties to the hearing who are present. The convenor will also identify any persons who are present who intend to assist or represent any party and any witnesses.
- 4.2. The convenor will then explain to the parties the procedure to be followed at the hearing, specifically drawing attention to any departures from the procedures set out in this document and the reasons for them. The convenor will also inform the parties that the proceedings will be recorded.
- 4.3. The panel will then consider any request by a party under regulation 8(2) for another person to appear at the hearing. The convenor will give any party who has made such a request (or their representative) which the panel proposes to deny an opportunity to address the panel about their request. The panel will then re-consider the request.
- 4.4. The convenor may invite any officer to carry out any functions under this paragraph.

#### **5. *Listening to the parties***

- 5.1. Each of the parties will then be invited to:
  - 5.1.1. Open their case by addressing the panel;
  - 5.1.2. Give any further information requested by the panel under regulation 7(1)(d);
  - 5.1.3. Present the evidence of any witness; and
  - 5.1.4. Conclude their case by addressing the panel.
- 5.2. The order in which the parties will be invited to put their cases will be in the discretion of the panel, except that a party who is an applicant will be invited to put their case last.

#### **6. *Questioning the parties***

- 6.1. Members of the panel may, following the conclusion of the case of each party, ask questions of that party or any witness appearing for them.
- 6.2. A party or their representative may only question another party if they have asked for permission from the panel after the panel members have finished questioning that party or their witness. The panel will only give permission if it is satisfied that the questioning will provide useful information about a matter relevant to their determination which is unlikely to be placed before the panel without such questioning

#### **7. *Time limits***

Each party will be limited to the time set by the panel under regulation 24 in which to exercise their rights provided in paragraphs 5 and 6.2. The convenor will require the party or their representative to close their case or cease their questioning immediately this time limit is reached.

#### **8. *Considering the decision***

- 8.1. The panel will consider their decision in private.
- 8.2. No officers will retire with the panel except for the committee administrator. The committee administrator may, if requested to do so, provide procedural, but not legal or technical, advice to the panel. The committee administrator will also assist the panel by drafting and finalising the wording of the panel's decision, if requested by the panel.
- 8.3. The panel may, while it is considering its decision, seek advice from legal or licensing officers. Officers will limit their advice to the specific issue identified by the panel and will leave the room where the panel is considering its decision as soon as that advice has been given and understood.

#### **9. *Announcing the decision***

- 9.1. When the panel has made its decision, the public part of the meeting will resume.
- 9.2. The convenor will read out the decision of the panel, or may invite the committee administrator to do so. The meeting will then close or move on to the next business.

### REPORT

#### Application

1. The licensing Authority is in receipt of a Temporary Event Notice.
2. The matter has been referred to the panel because an Objection Notice has been received from the Environmental Protection Department to the event.

## **Papers**

3. The following papers are relevant and have been made available to panel members:

- The Temporary Event Notice Application
- Objection Notice
- The Statutory Guidance for Licensing Authorities issued by the Secretary of State under section 182 of the Licensing Act 2003
- The Council's Statement of Licensing Policy

## **Consideration**

4. The licensing objectives are:

- The prevention of crime and disorder;
- Public safety
- The prevention of public nuisance; and
- The protection of children from harm

5. As an objection notice has been submitted, it is the duty of the panel to consider the application and determine whether to issue a Counter Notice or to allow the event to proceed.
6. Should the panel determine to uphold the objection of the Environmental Protection department as it considers it appropriate for the promotion of a licensing objective to do so the licensing Authority must give the premises user (the applicant of the Temporary Event Notice) a Counter Notice stating the reasons for the decision.
7. However, should the Panel consider that it is not appropriate for a Counter Notice to be issued the Licensing Authority need only the Premises User and Police of the decision.
8. The premises does benefit from a Premises Licence and as such, there is an opportunity to attach conditions from that licence to the notice should the panel feel it appropriate. The current licence may be seen at Appendix 3.
9. The following parts of the Secretary of State's guidance appear to be particularly relevant to the application and the relevant representations:

### **7.32 Police and Environmental Health Intervention**

However, the parties appearing in the hearing may wish to draw the panel's attention to other parts of the guidance.

10. The following parts of the council's statement of licensing policy appear to be particularly relevant to the application and the relevant representation:

### **12 Temporary Event Notices**

### **14.3 Prevention of Public Nuisance**

However the parties appearing in the hearing may wish to draw the panel's attention to other parts of the policy.

## **Procedure**

11. The applicant and the makers of the relevant representations have been invited to attend or be represented at the hearing.

## Temporary Event Notice

### **Marvin's, 5 Henry Street, Lytham St Annes, Lancashire, , FY8 5LJ**

With reference to the Temporary Event notification received for Marvins, Henry Street, Lytham there is the following representation from Environmental Protection.

The Environmental Protection team object to the requests for the temporary event notices under the licencing objective "prevention of public nuisance".

There are two reasons for this representation.

1. A noise complaint has been received against the premises for loud amplified music affecting a nearby residents. Officers visited the area on 3<sup>rd</sup> August 2019 were able to confirm that noise from music is clearly audible on the street outside the premises during performances of amplified entertainment. The complainant has also been forwarding recordings using the Council adopted NoiseApp.

Whilst not at a level that in my opinion warrants a noise abatement notice it is still at a significant level to warrant further action. Whilst the noise is not evident every weekend when the Council is notified it is usually between the hours of midnight at 01.00. There have been occasions on the recordings where the lyrics of a song are clearly audible. We are receiving full cooperation from the operator but to date the matter has not yet been resolved.

2. Henry Street is the main area in Lytham that operates a night time economy. There are a number of premises in the vicinity as well as residential flats. In recent months complaints regarding other matters – noise from patrons in the street, taxi vehicle noise etc have fallen - residents are aware that the latest a premises closes is 01.00 usually on Fridays or Saturdays and believe have accepted this to some extent.

That said there is still significant noise from the street at that time. If the premises is to extend the opening hours until 02.30 this street level noise has the potential to occur for an extra 90 minutes in to the early hours of a morning; then noise will continue beyond that as

patrons make their way home. In my opinion the current operating time is more than reasonable on balance, taking into account the locale and the nearby residents.

In my opinion the applicant shall be refused the extension for November as we are also aware that the applicant does have the permission to operate until the later times throughout December.
