ENVIRONMENTAL ENFORCEMENT OPTIONS			

PUBLIC ITEM

This item is for consideration in the public part of the meeting.

SUMMARY OF INFORMATION

Cleansing priorities and resident concerns with regards to littering and dog fouling remain high and cannot be adequately addressed within current resources. As a result, Councillors have asked Officers to investigate alternative means of combatting anti-social environmental crimes, with greater emphasis on enforcement. This information item provides an update on specialist enforcement services to address environmental crime issues such as dog fouling, littering and other dog control measures under the Public Space Protection Orders.
