LICENSING ACT 2003

THE LICENSING ACT 2003 (HEARINGS) REGULATIONS 2005

PROCEDURE FOR THE CONDUCT OF HEARINGS

1. Preliminary

- 1.1. Under the regulations, the Licensing Authority is required to determine the procedure that it proposes to follow at any hearing under the Act. This document sets out the procedure that Fylde will normally follow.
- 1.2. A panel may decide to follow a different procedure at any hearing. If it does, it will specifically draw attention to any departures from the procedures set out in this document and the reasons for them.
- 1.3. Please refer to the regulations for other rules about procedure

2. Interpretation

In this procedure, the following words or phrases have the following meanings:

applicant	an applicant for a licence or any person who has a licence which may be reviewed or revoked as a result of the hearing
act	The Licensing Act 2003
licence	Includes any consent or permission under the act
panel	A sub-committee established by Fylde Borough Council under section 10 of the act
regulations	The Licensing Act 2003 (Hearings) Regulations 2003, and any reference to a numbered regulation is to the regulation so numbered in that statutory instrument
witness	A person given permission to appear at the hearing under regulation 8(2)

3. Before the hearing

- 3.1. At least ten days before the hearing, the panel will meet to consider:
 - 3.1.1. If the circumstances set out in regulation 9(1) apply, whether to dispense with holding a hearing;
 - 3.1.2. What, if any, particular points it considers it will want clarification on at the hearing from a party under regulation 7(1)(d), and
 - 3.1.3. What time limit to set under regulation 24.
- 3.2. If it is not practicable for the panel to meet to consider these matters, the convenor may ascertain the views of panel members separately and give effect to the majority view as if it had been reached in a meeting of the panel.

4. *Opening the hearing*

- 4.1. The convenor will identify all parties to the hearing who are present. The convenor will also identify any persons who are present who intend to assist or represent any party and any witnesses.
- 4.2. The convenor will then explain to the parties the procedure to be followed at the hearing, specifically drawing attention to any departures from the procedures set out in this document and the reasons for them. The convenor will also inform the parties that the proceedings will be recorded.
- 4.3. The panel will then consider any request by a party under regulation 8(2) for another person to appear at the hearing. The convenor will give any party who has made such a request (or their representative) which the panel proposes to deny an opportunity to address the panel about their request. The panel will then re-consider the request.
- 4.4. The convenor may invite any officer to carry out any functions under this paragraph.

5. *Listening to the parties*

- 5.1. Each of the parties will then be invited to:
 - 5.1.1. Open their case by addressing the panel;
 - 5.1.2. Give any further information requested by the panel under regulation 7(1)(d);
 - 5.1.3. Present the evidence of any witness; and
 - 5.1.4. Conclude their case by addressing the panel.
- 5.2. The order in which the parties will be invited to put their cases will be in the discretion of the panel, except that a party who is an applicant will be invited to put their case last.

6. *Questioning the parties*

- 6.1. Members of the panel may, following the conclusion of the case of each party, ask questions of that party or any witness appearing for them.
- 6.2. A party or their representative may only question another party if they have asked for permission from the panel after the panel members have finished questioning that party or their witness. The panel will only give permission if it is satisfied that the questioning will provide useful information about a matter relevant to their determination which is unlikely to be placed before the panel without such questioning

7. *Time limits*

Each party will be limited to the time set by the panel under regulation 24 in which to exercise their rights provided in paragraphs 5 and 6.2. The convenor will require the party or their representative to close their case or cease their questioning immediately this time limit is reached.

8. *Considering the decision*

- 8.1. The panel will consider their decision in private.
- 8.2. No officers will retire with the panel except for the committee administrator. The committee administrator may, if requested to do so, provide procedural, but not legal or technical, advice to the panel. The committee administrator will also assist the panel by drafting and finalising the wording of the panel's decision, if requested by the panel.
- 8.3. The panel may, while it is considering its decision, seek advice from legal or licensing officers. Officers will limit their advice to the specific issue identified by the panel and will leave the room where the panel is considering its decision as soon as that advice has been given and understood.

9. *Announcing the decision*

- 9.1. When the panel has made its decision, the public part of the meeting will resume.
- 9.2. The convenor will read out the decision of the panel, or may invite the committee administrator to do so. The meeting will then close or move on to the next business.

M Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

All staff who are involved in the sale of alcohol will be trained in relation to the licensing objectives so as to reduce crime and disorder, promote public safety, prevent public nuisance and promote the protection of children from harm. Said training will be documented and will be made available to an authorised officer upon request.

b) The prevention of crime and disorder

A CCTV system shall be installed and maintained at the premises. Said CCTV system shall meet the following criteria:

- The system will display on any recording the time and date of said recording;
- The system will be recording whenever the premises is open to the public;
- Any recordings will be retained for a minimum of 30 days after they are made and will be produced to an authorised officer upon request, so long as said request is in accordance with the principles of the Data Protection Act or any subsequent or alternative legislation;
- Any recordings will be of evidential quality; and,
- As a minimum, the system will capture images of the head and shoulders of any person entering the premises through the main public entrance.

A competent person trained in the use of and operation of the CCTV will be in attendance at the premise at all times that licensable activities are taking place. Said person will be able to fully operate the CCTV system and be able to download data in a recognised format when requested.

Appropriate signage alerting customers to the use of CCTV shall be displayed in a conspicuous position at the premises.

c) Public safety

Any sales of alcohol made for consumption beyond the curtilage of the property will be made in sealed containers.

d) The prevention of public nuisance

Whenever regulated entertainment takes place at the premises, the management will conduct regular assessments of the noise emanating from the premises and, where said assessments indicate that the level of noise may cause nuisance to any local residents, the management will take action to remedy the level of noise.

A clear, legible and conspicuous notice shall be displayed at the main public exit requesting patrons to avoid causing noise, nuisance or disturbance upon leaving the premises.

Waste such as glasses and bottles shall be disposed of at a time when it is unlikely to cause nuisance to any residents in the vicinity.

e) The protection of children from harm

A "Challenge 25" Policy shall be adopted and enforced at the premises whereby any person who appears to be under the age of 25 shall be required to provide identification to prove that they are over the age of 18 before they are permitted to purchase alcohol. The only forms of acceptable identification will be:

- A Passport;
- A UK Photocard Driving Licence;
- Official ID card issued by HM Forces or EU bearing a photograph and the date of birth of the holder;
- Any other form of identification agreed with a representative of the Police Licensing Unit.

All staff who are involved in the sale of alcohol will be trained in relation to the "Challenge 25" policy upon the commencement of their employment, following which they will undertake refresher training at suitable intervals. Said training will be documented and will be made available to an authorised officer upon request.

There shall be no persons under the age of sixteen permitted on the premises after 22:00 each day, unless accompanied by a responsible adult.

5. What are your concerns?

Please provide full details of your concerns regarding the premises. Please include or enclose any evidence you may have in support of your concerns:

I am concerned as a resident whose property backs onto the golf clubs car park, of the potential increase in noise and disturbance to the quality of my life in both my home and garden.

The potential for increase in noise pollution and public nuisance is both great and very likely to happen if a licence to grant permission for the sale and consumption of alcohol and functions is given to the golf club until 2am.

It is very unlikely that guests leaving a function at 2am will take the time or have any interest in reading a small notice asking them to be aware of local residents and to reduce noise when leaving.

There will inevitably be an increase of traffic in the car park, whether from guests driving to and from an event or taxis dropping off or collecting guests.

This increase in traffic will not only increase pollution from exhaust fumes but also increase noise pollution from car doors opening and closing.

Local residents have already had to put up with lengthy construction work to the extension at the golf club, which will provide an increase in facilities to enable large functions and room hire. This we have endured without any engagement from the golf club at all. No apologies for the disturbance or expected time scale have been given. This is long overdue. I have had to rely on information from friends who are golf club members.

This could lead to animosity as residents are just presented with a fait accompli and is no way to try and live and work amicably side-by-side.

(Please continue on a separate sheet if necessary)

6. Suggested amendments?

Could the licence be amended in any way to remedy your concern? If so, how?

A significant reduction in the operating times and frequency is requested.

To operate up to 11pm as a maximum, weekends only.

Some engagement with residents perhaps in the form of a meeting from the golf club would be appreciated and is long overdue.

The application for extension of licensing hours at this venue seems excessive and I fear will impact in a derogatory manner in a predominantly elderly residential area. The exit / car park is directly behind residential houses.

Already when the club hosts summer parties we are subjected to loud noise, music and cars revving up at 1am. I fear this will become a more regular occurrence.

5. What are your concerns?

Please provide full details of your concerns regarding the premises. Please include or enclose any evidence you may have in support of your concerns:

Our house is next to the Fairhaven Golf Club Clubhouse and car park and we have been subjected to late night noise on numerous occasions in recent years. The noise from the function room and car doors and engine noise are keeping us awake, disturbing young children and pets.

This application would allow these events to be held 365 days of the year till 2 am. And runs the risk of the clubhouse becoming a regular late night entertainment venue, especially as they will want to re-coup the cost of the current extensive refurbishment, and people will want to hire the improved facilities. This will cause further nuisance. Residents should not be forced to move from devalued properties because a quiet golf club has turned into a nightclub.

(Please continue on a separate sheet if necessary)

6. Suggested amendments?

Could the licence be amended in any way to remedy your concern? If so, how?

The licence should be restricted to specific individually licensed Friday and Saturday evenings, no more than currently, so as to prevent the unrestricted proliferation of noisy events.

Please provide full details of your concerns regarding the premises. Please include or enclose any evidence you may have in support of your concerns:

We have lived at this address which backs onto the Fairhaven Golf Club Clubhouse and car park for over 30 yrs, and have noticed an increasing amount of late night noise from the club both in terms of volume and frequency. The noise is usually music from the function room which is particularly bad in the summer when the windows are opened, followed by car doors and engine noise at the end of an event. The level of noise prevents sleep and would certainly wake any sleeping children.

This application would allow these events to be held 365 days of the year till 2 am.

(Please continue on a separate sheet if necessary)

6. Suggested amendments?

Could the licence be amended in any way to remedy your concern? If so, how?

The licence should be restricted to Friday and Saturday evenings, so as not to disturb sleep on normal work and school days. Also a restriction should be placed on the windows being closed at 11pm. (A restriction which I believe applies to other venues, eg Fylde Rugby Club)

What are your
concerns?

I have lived here for 15 years and encountered a few bad evening from the social events Some times this is bad enough at midnight, I can not image the noise when the license is daily until 2am.. and beyond waiting for people to leave, My concern is my house is directly in line with the entrance and car park. I listen to noise already when they have social events. They play music from discos and bands and I can hear word for word the music when they have their windows open, I hear the cars and taxis pulling up and the noise people make when leaving. People being loud due to maybe the alcohol intake. I have children and this has kept them awake on a number occasions. Then the club will empty the bottles into the recycling bins and I hear the smashing of glass after the evening events. This has made me cry before as it has woken me up and my children. My other concerns are for the saftey of the children and my home. Strangers at the back of my house at all hours is not great. I moved here as this was a quiet golf club, not a party venue until 2am every day. Since living here in 15 years I have experienced drunken people weeing up my back fence and trying to do other things!! i experience coaches parked at the rear of my garden and this OK during the day, however if they are having golfing and social events until 2am I will have to endure the coaches looking into my home, the noise of getting over 50 people on a coach at night, which does not take a minute, it takes a while. It will be after 2.30am before this will quiet down. It can be a grinding horrendous noise of the engine running over and over from the coach. The noise is the main concern, as I said, loud music, people coming and going at all hours, smoking outside being loud. Over the years this has progressively worsened. With an extension of this, and the ability to be daily, I can only imagine the stress this will cause to my self and my elderly neighbours. We have to deal with the none management of the trees behind out homes, the wasps nests they promised to remove and have not, hence a garden full of wasps in the summer, the dead and diseased trees, the ivy damaging our fences and weeds coming through the gardens. I have had to repair my new fence after they said they would for years remove their ivy. The previous secretary Bob was understanding and worked with the neighbours to keep a happy balance. This new secretary is not bothered and very rude and not understanding as he does not live in the area therefore can not see how his actions upset the immediate residents.

Friday and Sat night until Midnight.

5. What are your concerns?

Please provide full details of your concerns regarding the premises. Please include or enclose any evidence you may have in support of your concerns:

I believe that F.G.C. already have a club license and this application is for a premises license. F.G.C. is a members club and a premises license would attract outside visitors and annoy the members who have not had official details of this application

(Please continue on a separate sheet if necessary)

My property is only 30 metres away from the clubhouse, and I am in audible range of frequencies, and would be extremely disturbed by music etc until 2am.

I would also question a designated smoking area which would be outside, and very near my property, and would hear voices etc.

6. Suggested amendments?

Could the licence be amended in any way to remedy your concern? If so, how?

To restrict the license to weekends only, and offer it only to be available to club members for functions

During the summer months the Greenkeepers tend to start work as early as 5am. Taking all this into consideration with the license proposal of 8am till 2am and a 5am grass cutting start, it only gives 3 hours of peace + tranquillity.

The increase of traffic on the clubs car park would also be a nuisance and could cause a safety aspect especially with an "all day" drinking license.

6. Fylde Rugby Club & Wytham Hall have licenses until midnight, because of nearby residents. I see no reason why this cannot apply to Fairhaven G.C.

Please provide full details of your concerns regarding the premises. Please include or enclose any evidence you may have in support of your concerns:

I wish to object to the application on the grounds of public nuisance and an unacceptable nuisance factor. Noise from live music and films would adversely affect ourselves and other residents living in the vicinity of the Farnham Golf Club and would carry across the whole of Lytham Hall Park Estate.

The supply of alcohol till 2am would subject local residents to anti-social behaviour and noise with customers departing.

(Please continue on a separate sheet if necessary)

The majority of residents in the surrounding area of the venue are mostly elderly and this must have an health impact. We also feel the granting of the application licence would have an adverse impact on property prices.

6. Suggested amendments?

Could the licence be amended in any way to remedy your concern? If so, how?

Please provide full details of your concerns regarding the premises. Please include or enclose any evidence you may have in support of your concerns:

* PREVENTION OF PUBLIC NUISANCE

My concern is that the new building will be large enough to hold much bigger events than the present club house. These events will therefore create more noise eg. louder music, many more visitors arriving and leaving at unsociable hours in the Golf Club car park which adjoins my property. eg. volume of voices, private cars and taxi's doors slamming over a longer period of time.

* PROTECTION OF CHILDREN FROM HARM

This will cause disturbed sleep to adults and especially children eg - damage to health.

PROTECTION OF ANDREW FRANKHAM fairhaver
the houses backing onto the Golf Club are family houses, chosen by the owners to avoid noise at unsociable hours.

Please provide full details of your concerns regarding the premises. Please include or enclose any evidence you may have in support of your concerns:

The facility for Fairhaven Golf Club to serve food and drink until 2am, Monday to Sunday, would consequently cause a public nuisance for local residents who are trying to sleep/enjoy quiet leisure in their homes. A more reasonable cut off time would be 11pm.

Noise from the clubhouse when functions are in progress does reverberate into our property on Cedarwood. However this is tolerable up to a reasonable time and 2am is not reasonable.

It is inevitable that the serving of refreshments, at any time, produces traffic and sometimes raucous shouting from customers and its this that's the cause of public nuisance, to continue until potentially 2am is totally unacceptable.

6. Suggested amendments?

Could the licence be amended in any way to remedy your concern? If so, how?

Yes, restrict cut off time to 11pm not 2am.

A licence until 2am is asking for trouble. If people have been drinking from 7.30/8pm until 2am, they could have consumed a vast amount of alcohol and some people's behaviour deteriorates in these circumstances. The noise level could persist until 2.30 am as people may not vacate the premises until then. This is a residential area and there have been occasions in the

past when the music sounds drift to our premises. Also, loud talking and laughter can be heard when people walk past our house [redacted] when vehicles are leaving, all traffic from the club pass the side of our house and this creates noise nuisance and air pollution. Eridge Borough Council have a duty to promote sensible alcohol consumption and to give consideration to the residents who pay their rates.

5. What are your concerns?

Please provide full details of your concerns regarding the premises. Please include or enclose any evidence you may have in support of your concerns:

- (i) Noise and music disturbance.. We reside at the entrance to the Golf Club drive and the festivities and dancing are clearly audible. Properties backing onto the clubhouse area will be very badly affected.
- (ii) Increase in the volume of traffic. The speed limit of 5mph is already ignored and 'sleeping policeman' have little or no deterrent. Drivers also pay little or no attention to the 'Give Way' road marking (hardly visible) at the drive exit.

(Please continue on a separate sheet if necessary)

- (iii) Resuming functions commencing 7.00/7.30pm, clients would have seven hours drinking time, plus additional time to drink up after the bar closes. Therefore, guests would be leaving between 3.00/4.00am. In the summer months, with bedroom windows open, loud voices and cars and taxis departing the golf club disturb sleep. This already occurs on Page giving / Captain's dinner etc.

6. Suggested amendments?
