Name of Outside Body:	FYLDE COAST WOMENS AID (FCWA)
How often does the organisation meet? And how often have you attended?	As this a new Outside Body ---I have only attended one of the meetings. Held at the Hilton Hotel called " STALKED AND HARRASSED" organised by FCWA. on 15th October ---two sessions (an afternoon and an evening)---17.30 is the one I attended. A very moving and thought provoking session and gave an insight in what is happening to many, in this area!
Key issues arising for Fylde Borough Council	As a councillor, I know that FBC work with the many bodies that help "Domestic Violence" BUT FCWA have now been in operation for about two years and have a local foundation "Esmee Fairburn" which I for one was not aware of. No issues for FBC but could show the local website and telephone number on the FBC website?

Key issues arising for Fylde Borough Council	As one of the biggest RSL's (Registered Service Lenders) there are a few issues re "Affordable Housing---Social Housing". The RSL's feel that the standard of homes in SOME areas are not suitable for many on the "waiting list". Also a lack of certain types of Houses for ages 35/50. A problem with o106 monies and of course the new Benefits System is having an affect on many Tenants and for the Group as a whole.
	Examples of issues could be those that may affect decisions regarding budget setting, challenges for residents, policy changes that affect partnership working etc
Who did you inform of these issues within Fylde Borough Council?	Housing Officers
In the light of these meetings, is it worthwhile for the Council to continue to have a representative/representatives on this body?	Yes
Any further comments?	I have attended a RSL meeting with FBC Officers and I personally think the Chair (is his role) and the Vice-Chair should be involved more often than they are at the moment. This will help both the FBC and the RSL's to come to a better understanding!
