Legal	<p>The Committee should have regard to the requirements of fairness and proportionality and to the European Convention of Human Rights in reaching its decision. However, the purpose of the system of driver licensing is to protect the public. If the committee considers that it should suspend or revoke the licence in order to protect the public, it should not concern itself with the effect on the applicant.</p> <p>Where the council has adopted a policy which applies to a particular matter, it must take the policy into account when making its decision. Although it is not bound to follow the policy, any decision that is contrary to it should be supported and explained by clear and adequate reasons for departing from the policy.</p>
