BUDGET SETTING – CONSIDERATION OF REVENUE BID COMMUNITY PROJECTS FUND			

PUBLIC ITEM

This item is for consideration in the public part of the meeting.

SUMMARY

At the March 2018 Budget Council meeting Members will be requested to approve a revenue budget for 2018/19. That budget must include sufficient resources both for existing activities and for any new areas of expenditure that have been recommended by the Finance and Democracy Committee, following earlier consideration by the appropriate programme committee i.e. items of revenue growth.

The consideration of revenue growth items is a key component of the budget-setting process and contributes to the longer-term management of the Council's resources in an efficient and effective manner. This report requests that Members provide that consideration in respect of the revenue bids for 2018/19 which fall within the terms of reference of this Committee.

RECOMMENDATION

The Committee is requested:

To consider and provide any feedback or comments on the revenue growth bid relevant to this Committee's terms of reference.

SUMMARY OF PREVIOUS DECISIONS

The revenue growth bids that are relevant to the terms of reference of each Programme Committee are considered each year by that Committee as part of the annual budget-setting process.

REPORT

The role of the Council's Programme Committees in the consideration of revenue growth bids is described within the Timetable for Developing Budget Proposals 2018/19 report which was previously approved by the Finance and Democracy Committee at the meeting of 25th September 2017. This provides the members of the programme committee with the opportunity to discuss all revenue growth bids and to indicate their support or otherwise for each bid.

Once revenue growth bids have been considered by the appropriate programme committee, the Budget Working Group will review the outcome of the deliberations of programme committees and will make recommendations back to the Finance and Democracy Committee via an updated Medium Term Financial Strategy (MTFS) report on a proposed budget package which will include any revenue budget proposals.
