REPORT

1. The Council makes a number of appointments to outside bodies in each municipal year. In May 2015, the Council deferred the decision to appoint to '*.... allow the various programme committees the opportunity to recommend appointments from within their respective memberships for those outside bodies relating to the brief of their committee*'.
2. At its meeting on 11 April 2016, the Council made appointments to outside bodies for the forthcoming municipal year 2016/17. Nominations were sought from the programme committees for representatives to the outside bodies.
3. The Community Safety Partnership is a multi-agency body which traditionally the Leader of the Council attended and has been attending. There is a need to formalise the membership of the Community Safety Partnership, and in discussions with the Leader, it was felt that the nominated elected member representative should be drawn from the Environment, Health and Housing Committee, as the designated crime and disorder committee.
4. As the Chairman is the Council's representative on the Police Crime Commissioner Panel, it is recommended that the Chairman be appointed to the Community Safety Partnership.
