## LICENSING ACT 2003

### THE LICENSING ACT 2003 (HEARINGS) REGULATIONS 2005

#### PROCEDURE FOR THE CONDUCT OF HEARINGS

##### 1. *Preliminary*

- 1.1. Under the regulations, the Licensing Authority is required to determine the procedure that it proposes to follow at any hearing under the Act. This document sets out the procedure that Fylde will normally follow.
- 1.2. A panel may decide to follow a different procedure at any hearing. If it does, it will specifically draw attention to any departures from the procedures set out in this document and the reasons for them.
- 1.3. Please refer to the regulations for other rules about procedure

##### 2. *Interpretation*

In this procedure, the following words or phrases have the following meanings:

applicant	an applicant for a licence or any person who has a licence which may be reviewed or revoked as a result of the hearing
act	The Licensing Act 2003
licence	Includes any consent or permission under the act
panel	A sub-committee established by Fylde Borough Council under section 10 of the act
regulations	The Licensing Act 2003 (Hearings) Regulations 2003, and any reference to a numbered regulation is to the regulation so numbered in that statutory instrument
witness	A person given permission to appear at the hearing under regulation 8(2)

##### 3. *Before the hearing*

- 3.1. At least ten days before the hearing, the panel will meet to consider:
  - 3.1.1. If the circumstances set out in regulation 9(1) apply, whether to dispense with holding a hearing;
  - 3.1.2. What, if any, particular points it considers it will want clarification on at the hearing from a party under regulation 7(1)(d), and
  - 3.1.3. What time limit to set under regulation 24.
- 3.2. If it is not practicable for the panel to meet to consider these matters, the convenor may ascertain the views of panel members separately and give effect to the majority view as if it had been reached in a meeting of the panel.

#### **4. Opening the hearing**

- 4.1. The convenor will identify all parties to the hearing who are present. The convenor will also identify any persons who are present who intend to assist or represent any party and any witnesses.
- 4.2. The convenor will then explain to the parties the procedure to be followed at the hearing, specifically drawing attention to any departures from the procedures set out in this document and the reasons for them. The convenor will also inform the parties that the proceedings will be recorded.
- 4.3. The panel will then consider any request by a party under regulation 8(2) for another person to appear at the hearing. The convenor will give any party who has made such a request (or their representative) which the panel proposes to deny an opportunity to address the panel about their request. The panel will then re-consider the request.
- 4.4. The convenor may invite any officer to carry out any functions under this paragraph.

#### **5. Listening to the parties**

- 5.1. Each of the parties will then be invited to:
  - 5.1.1. Open their case by addressing the panel;
  - 5.1.2. Give any further information requested by the panel under regulation 7(1)(d);
  - 5.1.3. Present the evidence of any witness; and
  - 5.1.4. Conclude their case by addressing the panel.
- 5.2. The order in which the parties will be invited to put their cases will be in the discretion of the panel, except that a party who is an applicant will be invited to put their case last.

#### **6. Questioning the parties**

- 6.1. Members of the panel may, following the conclusion of the case of each party, ask questions of that party or any witness appearing for them.
- 6.2. A party or their representative may only question another party if they have asked for permission from the panel after the panel members have finished questioning that party or their witness. The panel will only give permission if it is satisfied that the questioning will provide useful information about a matter relevant to their determination which is unlikely to be placed before the panel without such questioning

#### **7. Time limits**

Each party will be limited to the time set by the panel under regulation 24 in which to exercise their rights provided in paragraphs 5 and 6.2. The convenor will require the party or their representative to close their case or cease their questioning immediately this time limit is reached.

#### **8. Considering the decision**

- 8.1. The panel will consider their decision in private.
- 8.2. No officers will retire with the panel except for the committee administrator. The committee administrator may, if requested to do so, provide procedural, but not legal or technical, advice to the panel. The committee administrator will also assist the panel by drafting and finalising the wording of the panel's decision, if requested by the panel.
- 8.3. The panel may, while it is considering its decision, seek advice from legal or licensing officers. Officers will limit their advice to the specific issue identified by the panel and will leave the room where the panel is considering its decision as soon as that advice has been given and understood.

#### **9. Announcing the decision**

- 9.1. When the panel has made its decision, the public part of the meeting will resume.
- 9.2. The convenor will read out the decision of the panel, or may invite the committee administrator to do so. The meeting will then close or move on to the next business.

Dear Sir

**Re The Arnold KEQMS application for permission to sell alcohol.**

We feel that we must object to permission being granted for the following reasons:-

- 1) There is just no justification for a place of education for the young to need to sell alcohol.
- 2) In these times of under-age and binge-drinking by the young, what message would it give to the children at the school?
- 3) It would be bound to lead to "mission creep" - alcohol sold at the occasional function now being followed by the setting-up of a student bar for the sixth-formers.
- 4) It would add to the noise and traffic chaos we are suffering due to the recent expansion of the school. We are already awoken by car doors being slammed, and we have to arrange our times of arrival at home around school hours in order to be able to park outside our house.
- 5) It would probably bring extra unsociable noise and behaviour to the area later in the evenings.

Yours faithfully

A school is for learning, and I do not see any need for a school to sell alcohol. What concerns me more is the alcohol consumption of the youth of today which already causes major problems in our towns, and puts increased pressure on our overstretched hospitals & ambulance services. If a license is granted, what is to stop them opening a student bar? We already have problems with increased traffic & parking during the

I am objecting to the proposed licensing of KEQMS to sell alcohol.

As a parent I do not feel that a school is a place that should be promoting alcohol. The message it sends to children is morally wrong. We have been told that the school wishes to sell alcohol or 'the odd glass of wine' at school events such as concerts and plays. The proposed licence is for 4 1/2 hours; that is more than 'the odd glass of wine'. Are parents going to be rolling out of the school totally inebriated?

We are already experiencing problems with the traffic around the school. Incidents have been reported to the school and to the police where parents have been verbally aggressive and threatening to residents in this area over parking. I am worried that this situation will only get worst with the addition of alcohol. The lack of consideration shown by some parents at the school for the local residents makes me think that turning people out into the street at 11pm after having had a drink is a recipe for disaster. Perhaps verbal aggression will turn into physical aggression? This will then pose problems for the police and the local authority.

I am also concerned that KEQMS will want to use the alcohol licence to attract other non-school events to the school. This will increase the traffic in the area at a time when there is very little. It will also increase the noise and disturbance to the neighbourhood. KEQMS has made no provision for dealing with excessive traffic so far and this is very evident for all living in the area.

**5. What are your concerns?**

Please provide full details of your concerns regarding the premises. Please include or enclose any evidence you may have in support of your concerns:

We do not consider it suitable, or there is a need, for a school to hold a licence to sell alcohol for the following reasons

- ① There are well published reports on the damage caused to young people by alcohol.
- ② We should be discouraging young people from drinking alcohol. We are giving the wrong message and when linking school activities with an alcoholic bar.
- ③ This year we have seen a big increase in caravan parking on the school playing fields. Having a licence to sell alcohol could be the thin end of the wedge!

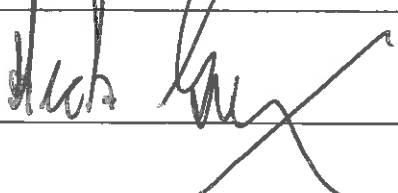

(Please continue on a separate sheet if necessary) to open the bar to make more money. If this was the case, the unsuitable noise and behaviour would be greatly increased

**6. Suggested amendments?**

Could the licence be amended in any way to remedy your concern? If so, how?

We suggest that the school applies for an Occasional licence to cover their occasional school events such as plays and musical concerts. Alcohol to be sold on those specific dates between 18:00hrs and 22:30 as requested.

Dear Sir,

**RE: Licensing Application by AKS School dated 16/10/2013**

**Sale of Alcohol:** Monday to Sunday 18.00 – 22.30

**Regulated entertainment:** Plays, live music & performances of dance, Monday to Sunday 18.00 – 22.30

We are making representations about this license application because it is too wide reaching. We request that you reject or considerably limit the scope of the application for the following reasons:

- We have no confidence that the school would actively manage this license with due consideration for the potential nuisance and impact on crime and safety to local residents. In the application, the school states it has in place the Site Management to uphold the four licensing objectives. However, there is no explanation of how this extends beyond the school premises into the immediate community. We already experience issues with the existing Car Boot sale events and the day to day running of the school since the Junior School opened in September. For example:
  - Traffic Management Issues / Public Safety
 

Cars are parked on pavements on both sides of Newbury Road and King Edward Avenue at school drop off times and also at evening and weekend events. Parking is particularly dangerous at road junctions because cars park right on the junction. This parking situation is even worse when the regular Car Boot sales take place.
  - Littering and Nuisance
 

Wet wipes, food and food packaging are freely disposed of in the street rather than on school premises.
- The application is too wide in scope. It gives the school the opportunity to be an entertainment venue 7 evenings a week for the whole year. This gives them complete flexibility as to what, where and how events take place within the school buildings and its grounds. It permits a scale and frequency of events well beyond the purpose of a school and its normal expected activity.
- Outdoor events planned for the playing field facing King Edward Avenue with music and/or providing food and alcohol would be of particular concern. This would raise serious questions of the nuisance and crime impact to the immediate community.

5b

In summary, if this was a temporary application for a specified schedule of events for 2014 then we would be able to sensibly judge its impact. This isn't possible with current application as it is too open ended.

Yours sincerely

Dear Sirs

**AKS SCHOOL ALCOHOL LICENCE**

We strongly object to this application.

We think King Edward Avenue residents already have more than enough problems to deal with caused by the vastly increased parking by the parents twice a day. Some of the parking etc. is atrocious ie. double parking to drop children off thus blocking free-flow of traffic down King Edward Avenue, parking on the grass verges (churning the grass), blocking drives, not signalling. The very worse problem being parking their big 4 wheel drive cars outside residents' houses thus causing a blind spot when you are driving off your drive – a very serious accident waiting to happen (particularly for ourselves and our neighbours who have the added problem of not being seen by cars turning left out of the Boulevard!. I hate to think what it would be like if they had been drinking! Also to make it so we have to increasingly deal with the 'blind spot' problem in the dark would be irresponsible. I think it is a step too far to expect residents to have additional parking problems in the evenings as we believe a bar will encourage more events and also leave the door open for the school to hire out a function room. Or, they might want to have a student bar. The potential associated noise problem is of serious concern. If this goes through it will be yet another example of the Planners having no respect or concern for the wishes of local rate paying residents.

The reason we are extremely concerned at the possibility of them hiring out function rooms and using the premises in the evening more frequently due to alcohol being available, stems from the fact the school currently hire out everything they can. When the school is closed for holidays we also have to deal with the horrendous parking problems on Bank Holidays due to the school hiring out the playing fields for Car Boot Sales. During the summer holidays when we should get some respite, we have to contend with the caravans and campervans arriving – often queuing for most of the arrival day on King Edward Avenue outside residents' houses until they can go on the site.

We also now have the added problem of King Edward Avenue being turned into an overflow car park for Clifton Hospital, thus having cars parked outside their houses.

Is there anybody at the Council considering King Edward residents?

Yours faithfully

Dear Sirs

Re: Licensing Application - AKS dated 16/10/2013  
Sale of alcohol

I am writing to strongly object to the above application.

- ① Full licence not necessary - occasional licences would cover any functions required, as in the past.
- ② Traffic issues - this is now a problem since the new school opened. We were assured buses would park on 'The Promenade', this certainly isn't the case. On 'Car Boot' days, cars even park on the central grassed area of King Edward Avenue.
- ③ Litter and nuisance, which we already find on pavements, driveways and in gardens.
- ④ Outdoor events would cause serious concerns if an alcohol licence was granted. We already have to put up with caravans practically the whole of the summer vacation.

Finally, when purchasing properties adjoining schools, you expect the usual events, but it is now like living adjacent to a 'Holiday Park'. Certainly more so if this is approved.

Yours sincerely

I am writing this letter to object to the proposed licensing for Arnold King Edward School.

Since the amalgamation of Arnold and King Edward schools, along with the new extension to the school, this has already increased the amount of traffic in the area. A bar on the premises could also bring unsociable noise and behaviour.

I believe that parents should set an example to their children, particularly as there is currently a very high percentage of under-age drinking and binge drinking amongst the young. I cannot believe they cannot sit through a school play or other school activity without a drink.

I strongly object to this proposal and sincerely hope that the request is refused.

Yours sincerely

Jan Forrester
