REPORT

1. The Council makes a number of appointments to outside bodies in each municipal year. In an election year these appointments are made at the AGM. In non-election years, these appointments are made at the last Council meeting of the municipal year. In May 2015, the Council deferred the decision to appoint to *'.... allow the various programme committees the opportunity to recommend appointments from within their respective memberships for those outside bodies relating to the brief of their committee'*.
2. The Council needs to make appointments to outside bodies at its meeting on 3 April 2017 for the forthcoming municipal year 2017/18. Nominations are sought from the programme committees for representatives to the outside bodies.
3. This report deals with the outside bodies that relate to the terms of reference for the Tourism and Leisure Committee. The first table below includes the name of the body/group, the role/purpose and which elected member currently represents the Council. The committee is invited to recommend nominations for consideration by Full Council.
4. Under the previous governance arrangements there existed the facility through scrutiny for members to establish specific task and finish groups to look in some depth at particular issues and make recommendations to Cabinet. With the adoption of the new governance arrangements that is no longer possible. However programme committees may wish to establish their own subject specific working groups to be set up when required in order to advise the parent programme committee on a particular topic/issue.
5. The second table below lists those working groups that relate to the terms of reference of the Tourism and Leisure Committee that are currently established. The establishment of working groups is within the responsibility of the individual programme committees and does not need the approval of Council.
6. It is important that the members nominated to represent the Council on outside bodies/working groups have an appropriate interest in the body/partnership/subject, can commit to positively represent the Council and be available to commit the time to attend the majority of the meetings involved.
7. The members nominated should ideally be a member of the programme committee to which the matter relates to.
8. The current protocol is that members are required to produce regular reports about the outside bodies on which they serve, currently every six months. It is the intention that this information will be made available to the programme committee members to which the external partnership relates.
9. The conclusion of any working group would be brought to committee in a formal report as previously occurred in scrutiny.
