4. Chief Executive's Communications

The Chief Executive had none on this occasion.

5. Questions for Members

A question had been received from a Member of the Council.

Councillor Brian Gill asked

“As most members know, I am not a fan of the new crazy golf scheme currently in build at Fairhaven lake as a cost of some five hundred thousand pounds of ratepayers money. The business case is fundamentally flawed due to the fact that it is spread over a ten year period and does not include the cost of money. Money is needed now to provide better support to the community. For example covering for shoppers in the high streets of Kirkham, Lytham and St Annes to increase footfall.

That being said, I understand it is committed monies and I therefore need it to succeed as a ratepayer. With this in mind can the council inform the residents what measures are being taken to stop the proposed pay and display scheme for the length of the promenade which will have a detrimental effect on visitors to the proposed attraction as well as the impact on local residents.”

Councillor Roger Small responded advising that Lancashire County Council were the Highways Authority and the decision whether to implement parking charges on the Promenade lay with them. The County Council advised that plans for a formal consultation had been well advanced, but delayed due to COVID-19.

He reassured Councillor Gill, that as Operational Management Chairman, Councillor Small had been in contact with officers from Lancashire County Council and Fylde, and with councillors of the wards affected. Key areas of concern where the level of possible charges, the impact on side street parking and length of stay.

Councillor Gill did not ask a supplementary question.

6. Questions from Members of the Public

No questions had been received from members of the public on this occasion.

7. Notice of Motion – Response to Coronavirus Pandemic

Following notice given under rule 11 of the Council Procedure Rules, the following Motion was proposed by Councillor Karen Buckley;

“IN RESPONSE TO THE CORONAVIRUS PANDEMIC THIS COUNCIL:

1. Recognises and offers thanks to all council staff for their continued hard work and dedication during uniquely difficult times in handling additional workloads and adapting to rapidly changing legislation whilst maintaining essential services near to normal levels - a remarkable achievement under the circumstances.
2. Recognises and offers thanks for the ongoing hard work to all key workers who live, work, operate or volunteer in Fylde, especially those in the NHS, medical or care industries who have been on the frontline providing direct treatment and care, those working in education and essential retail, and also the funeral services for continuing to do their best to handle matters in a respectful manner in very difficult conditions.
3. Thanks all our residents who are playing their part in complying with government guidelines, our businesses who are adapting to new guidance as they gradually re-open safely and all those who are informally providing vital help to vulnerable family, friends and neighbours or volunteering in the community.
4. Remembers those who are or have been ill, or who have family and friends affected by coronavirus, or have lost loved ones during this very difficult time when restrictions are in place which limits family and friends from coming together to support each other.”

The motion was seconded by Councillor Roger Small.

The motion was AGREED unanimously.

8. Standing Orders for Remote Council and Committee meetings

Councillor John Singleton presented the Standing Orders for meetings of the council and committees held by remote access. He explained that initially the emergency regulations aimed at combatting the spread of the coronavirus made it unlawful to hold face to face council and committee meetings in the normal way. Whilst those regulations had since been repealed, current government guidance was to continue to hold meetings remotely where possible.

An amendment to the standing orders was necessary to formalise arrangements for conducting meetings remotely. These revised standing orders would not apply to any face to face meetings when the Council was able to return to the Town Hall.

Councillor Ed Nash seconded.

11. Standards Framework: Independent Persons

Councillor John Singleton proposed the reappointment of the Council's Independent Persons for an additional one-year term to 30 September 2021.

Councillor Singleton advised that following proposals from the Committee on the Standards in Public Life, the Government had consulted on a number of changes to the standards framework. The Standards Committees of Blackpool and Fylde Councils had worked together on a consultation response.

The need to extend the term of office was required to keep the expertise of the Independent Persons during the process of the changes to the standards framework.

Councillor Singleton also paid tribute to Mr. Tony Mozley, who up until his death in May 2020, had served as one of the Independent Persons to the Council. His insight and consideration in standards matters had been very much appreciated by his colleagues, members of the Audit and Standards Committee and officers of the Council.

Councillor Ellie Gaunt seconded, and also extended her condolences to Mr. Mozley's family.

It was RESOLVED that;

1. The Council expresses its condolences in respect of Mr. Tony Mozley, former Independent Person and pays tribute to his dedication to the role over the previous years; and

12. Pavement Licences

Councillor Shirley Green introduced a report regarding pavement licences, explaining that the Business and Planning Act 2020 had introduced a temporary fast-track process to allow pubs, cafes and other food businesses to place furniture on the pavement outside their premises. To obtain a licence, a business would need to apply to the Council. The council would be in a position to start to receive applications as soon as the legislation was enacted.

Councillor Gavin Harrison seconded.

In response to questions, Councillor Green advised that the Highways Authority were aware of the fast-track requirement. Additionally, those applying for a license were aware of their responsibilities under the licence to ensure rubbish generated by customers was removed.

13. A Lancashire Combined Authority

Councillor Karen Buckley introduced a report on a Lancashire Combined Authority. In doing so she provided background to previous Lancashire-wide discussions on devolution. She advised that local government devolution was at the forefront of the Government's agenda and a white paper on the matter was anticipated in the autumn.

She advised that all the local authorities across the county were seeking to agree in principle a collective commitment to explore the concept of a Lancashire Combined Authority with a directly elected Mayor.

Councillor Roger Small seconded.

Councillor Oades proposed an amendment to recommendation 4, so it would read "Appoint the Leadership Board and Budget Working Group *and at least one member of the Independent Group*, to explore both devolution and re-organisation and make recommendations to full council."

Councillor Nulty seconded the amendment.

Following a brief debate, the amendment was LOST.

Following further brief debate, it was RESOLVED to;

1. Note the agreement of Lancashire Leaders on 10 June 2020 as set out at paragraph 36 of the report;
2. Agree to explore a Combined Authority for Lancashire with an Elected Mayor, with limited powers;
3. Acknowledge that local Government re-organisation will need to take place to enable simplified governance arrangements in the Combined Authority area; and
4. Appoint the Leadership Board and Budget Working Group to explore both devolution and re-organisation and make recommendations to full council.

14. Regulation of Investigatory Powers Act (RIPA) Policy

Councillor John Singleton introduced the updated Regulation of Investigatory Powers Act (RIPA) Policy. He advised that the policy was required to be reviewed, updated and readopted annually and as such had been considered by the Audit and Standards committee. It was also proposed to appoint Councillor Sue Fazackerley as the representative to Lowther Trust in place of Councillor Roger Small, as his commitments as Deputy Leader and Committee Chairman meant he was unable to commit as fully to the Lowther Trust.

The proposal was seconded by Councillor Peter Anthony and it was RESOLVED to

3. To agree that Councillor Susan Fazackerley replace Councillor Roger Small as the appointed representative for the Lowther Trust.

17. Urgent Item – Power of Direction

In introducing the item, the Mayor advised that pursuant to Part 5A, Section 100b, paragraph 4(b) of the Local Government Act 1972, she was of the opinion that, due to new government regulations regarding new control measures pertaining to the coronavirus pandemic that the following item should be considered as a matter of urgency.

Councillor Karen Buckley advised that as lockdown restrictions were eased, new regulations had been made giving upper tier authorities power to take targeted actions to combat local outbreaks of coronavirus. Those regulations contained a power for a county council to direct a district council to exercise its powers in a specified way in order to combat the coronavirus. The Council were asked to approve delegated powers to the Chief Executive to comply with such a direction, should one ever be issued.

Councillor Roger Small seconded.

It was RESOLVED to delegate the following power to the Chief Executive, *“Power to exercise any of the district council’s functions in a way specified in a direction issued by Lancashire County Council under regulation 17 of the Health Protection (Coronavirus, Restrictions) (England) (No.3) Regulations 2020”*.
