**6. Enforcement: Land off Fairfield Road, Hardhorn, Poulton Le Fylde**

The Chairman invited Ian Curtis (Head of Governance) and Mark Evans (Head of Planning and Regeneration) to address the committee.

In summary, the comprehensive report invited the committee to re-assess its decision to take direct action to secure compliance with an enforcement notice affecting land off Fairfield Road, Hardhorn. The report included updated officer assessments of the planning merits of two schemes that had been the subject of planning applications on the site and in particular discussed how the proposals would be likely to be viewed by a decision-maker on appeal and the likelihood of a temporary permission or informal toleration for either development being justified.

The report concluded that relevant circumstances had not changed sufficiently to affect the decision made by the Committee in June 2014 after consideration of all the factors relating to the site and the site residents and the verbal updates given at the meeting, and notwithstanding the lack of a five-year supply of pitches on traveller sites.

During the course of the debate, members of the committee sought clarification on various points outlined in the report. These were addressed by officers.

Following detailed consideration of the report and the various updates given at the meeting, it was RESOLVED:

1. To note the matters set out in the report and its appendices (including the report of 6 June 2014).
2. To endorse the decision of the committee taken on 6 June 2014 to delegate power under Section 178(1) of the Town and Country Planning Act 1990 to enter the site and take the steps required by the enforcement notice (as amended by the Secretary of State) to the Director of Development Services.
