REPORT

1. The Local Authorities (Members' Allowances) (England) Regulations 2003 provide for local authorities to establish and maintain an independent remuneration panel. The purpose of the panel is to make recommendations to the council about the allowances to be paid to elected members.
2. The council must have regard to the recommendations of the panel.

3. Local authorities must include in their scheme of allowances a basic allowance, payable to all members, and may include provision for the payment of special responsibility allowances and a dependants' carers' allowance. The Regulations allow the inclusion of a travel and subsistence and a co-optees' allowance within an allowances scheme. These allowances are discretionary.
4. The independent panel has met and has made recommendations concerning the council's scheme.
5. The Panel being mindful of the Council's budget, recommended that there be no change in the current level of allowances.
6. Members are asked to consider the two documents below:

Appendix 1: [The report to the independent panel](#); and

Appendix 2: [A note of the panel's deliberations and recommendations](#).
