**M** Describe the steps you intend to take to promote the four licensing objectives:

**a) General – all four licensing objectives (b, c, d and e) (please read guidance note 9)**

**TO PROMOTE ALL FOUR LICENSING OBJECTIVES, WE WILL KEEP:**

Strong management controls and effective training of all staff so that they are aware of the premises licence and the

requirements to meet the four licensing objectives with particular attention to:

- a/ no selling of alcohol to underage people
- b/ no drunk and disorderly behaviour on the premises area
- c/ vigilance in preventing the use and sale of illegal drugs at the retail area
- d/ no violent and anti-social behaviour
- e/ no harm to children

- Operating Schedule providing the hours of operation and licensable activities during those hours.
- Designated premises supervisor confirmed it is obligated to be in day-to-day control of the premises, to provide good training for staff on the Licensing Act, to make or authorize each sale
- Clear "Challenge 25" information to prevent the supply of alcohol to under-age drinkers.

As a licensed premise we know that it is necessary to carry out our functions or operate their businesses with a purpose of promoting these objectives. We promise to support these objectives through their operating schedules and other measures (including staff training and qualifications, policies, and strategic partnerships with other agencies).

**b) The prevention of crime and disorder**

A clear and legible notice outside the premises indicating the normal hours under the terms of the premises licence during which licensable activities are permitted. Security will be on site daily from 6pm thorough the night. Clear and conspicuous notices warning of potential criminal activity, such as theft, that may target customers will be displayed. Not selling of alcohol to drunk or intoxicated customers. Custom will not be sought by means of personal solicitation outside or in the vicinity of the premises. Prevention and vigilance in illegal drug use at the retail unit area. Staff will be well trained in asking customers to use premises in an orderly and respectful manner.

The premises licence holder will operate a Challenge 25 policy at the premises whereby any person who looks or appears to be under the age of 25 shall be asked to provide identification that they are over the age of 18. The following are the only forms of identification acceptable:

- i. photo driving licence
- ii. Passport
- iii. Proof of Age Standards Scheme card.
- iv. UK armed forces military ID

All staff are to have received suitable training in relation to the proof of age scheme to be applied upon the premises. All staff are to receive regular refresher training at intervals of a maximum of six months. Records to evidence this will be made available to an authorised officer upon request.

Risk assessments carried out by or on behalf of the licence holder which relate to a licensing objective will be available for inspection by an authorised officer.

An incident recording system will be maintained in which shall be recorded:-

- i. All incidents of crime and disorder
- ii. Refused sales to suspected under-age and drunken persons
- iii. A record of any person asked to leave the premises or removed from the premises
- iv. Details of occasions on which the police are called to the premises
- v. A record of persons searched on suspicion that drugs are being carried and the reason for such suspicion

Written records from the system will be available for inspection by a police officer.

Security arrangements are sufficient to discourage the sale and consumption of drugs and shall ensure such arrangements include regular checks of toilet areas.

Any person who appears to be intoxicated or who is behaving in a disorderly manner will not be allowed entry to the stadium. Any person within the premises who appears to be intoxicated or who is behaving in a disorderly manner will be given care and consideration in leaving the stadium.

All staff are to have received suitable training with regard to serving drunks. All staff are to receive regular refresher training at intervals of a maximum of six months. Records to evidence this will be made available to an authorised officer upon request.

At least one personal licence holder will be contactable while the supply or sale of alcohol is being undertaken (whose identity will be known to all other staff engaged in the supply or sale of alcohol) except in the case of emergency.

Another member of staff shall be nominated to act for the Designated Premises Supervisor, in their absence, whose identity is known by all other staff when such absence occurs.

No person in possession of a drink in a sealed or unsealed container will be allowed to enter the premises except for the purposes of delivery.

No drink will be removed from the premises in an unsealed container save for unfinished bottles of wine which must be re-corked before being taken away from the premises.

An authorisation of sales, signed and dated by the DPS, shall be kept at the premises showing all persons authorised by them to make sales of alcohol at the premises.

#### **c) Public safety**

Internal and external lighting fixed to promote the public safety objective. Well trained staff adherence to environmental health requirements. Training and implementation of underage ID checks. A log book or recording system shall be kept upon the premises in which shall be entered particulars of inspections made. The log book shall be kept available for inspection when required by persons authorised by the Licensing Act 2003 or associated legislation. All parts of the premises and all fittings and apparatus therein, door fastenings and notices, lighting, heating, electrical, air condition, sanitary accommodation and other installations, will be maintained at all times in good order and in a safe condition.

#### **d) The prevention of public nuisance**

Noise reduction measures to address the public nuisance objective. Prominent, clear and legible notices will be displayed at the exit requesting the public to respect the needs of nearby residents and to leave the premises and the area quietly. Deliveries of goods necessary for the operation of the business will be carried out at such a time or in such a manner as to prevent nuisance and disturbance to nearby residents. The Licensee will ensure that staff who arrive early morning or depart late at night (ex. for cleaning, security, closing down supervisors) when the business has ceased trading conduct themselves in such a manner to avoid causing disturbance to nearby residents. Customers will be asked not to stand around loudly talking in the street outside the premises. Customers will not be admitted to premises above opening hours. The movement of bins and rubbish outside the premises will be kept to a minimum after 11.00pm. This will help to reduce the levels of noise produced by the premises. Adequate waste receptacles for use by customers will be provided in the local vicinity. Doors and windows will be closed when regulated entertainment is taking place, except of access and egress.

#### **e) The protection of children from harm**

"Challenge 25" sign which is a retailing strategy that encourages anyone who is over 18 but looks under 25 to carry acceptable ID (a card bearing the PASS hologram, a photographic driving license or a passport) if they wish to buy alcohol.

Medlar-with-Wesham Town Council discuss this application at a recent Council meeting and wish to make the following comments which reflect the concerns expressed by residents and Councillors:

The need for a license for the entirety of a Sports Stadium which is within a small development with several others premises applying for licence seems unnecessary.

The main areas of concern are:-

- The application covers the whole stadium.
- How can the sale and consumption of alcohol be monitored and controlled within a stadium
- Noise from both the music and customers being invasive over a large area
- Public nuisance and antisocial behaviour

The Sports Stadium is one of several licensed premises planned on the Development, all of which have applied for extended licencing hours. Hence the Council is concerned that the original vision for the development of a healthy sports environment is being slowly eroded and it is becoming a venue for binge drinking.

The Town Council considers that due to the site, potential clientele and type of establishment that a licence application for the whole Sports Stadium is inappropriate

The individuals listed below wish to object to granting of a licence to sell and consume alcohol on the premises of the concourses and spectator areas of the whole Stadium at Mill Farm, Wesham and suggest that where appropriate Temporary Event Licences are sought as necessary.

We have grave concerns for the protection of children and young people, who in spite of the management proposals now advanced, will be attracted to largely unsupervised areas where alcohol will be readily available.

The likelihood of excessive consumption at competitive games with adversarial supporters could provoke crowd aggression, violence and disorder which could spread to outside areas after matches. Public safety could be impaired and criminal acts may occur.

We believe that Health and Safety Executive and FA recommendations should be followed, with alcohol only available in the box areas and other appropriately licensed parts of the premises and not on the terraces. The whole thrust of the Mill Farm Sports Village, the ethos of the Club and its Foundation towards the encouragement of young people to both active and passive participation in sports, and healthy lifestyles and its ambition to quickly reach Football League status, where alcohol on the terraces is illegal, should cause this application to be turned down on principle.

In the light of these factors and the clear problems of supporters and drinking thrown up again in the Euros in France, we ask the Panel to consider this application in the context of the wider impact on our community.

Dear Sir or Madam,

**OBJECTION TO PREMISES LICENCE FOR SPORTS STADIUM, MILL FARM, CORONATION WAY, MEDLAR-WITH-WESHAM, PR4 3HD**

I note the application for a Premises Licence for the Sports Stadium, as listed on the Fylde Borough Council's website. I also note that it seeks the sale of alcohol from 11am to 10pm Monday to Sunday and no days are excluded. It appears to me, that to provide any alcohol prior to the commencement of any football match, that it can only create a serious situation developing, contrary to the Licensing Objectives.

- a) The Prevention of Crime and Disorder:- surely the availability of alcohol at the football stadium, before or even after a football match could result in criminal activity by those individuals who have drank too much and an obvious disorder would take place.
- b) Public Safety:- there is one way in and way out of the area where the Sports Stadium is situated and with the movement of supporters who may well be alcohol-fuelled, there is certainly a risk of injury to them and others using the supermarket nearby.
- c) The prevention of public nuisance:- there is an application for Recorded Music included in the application from 1pm to 10pm, Monday to Sunday. Presumably, this music will be played over a tannoy system and that sound of recorded music, together with the announcements made over the tannoy system, will be heard all over by the nearby properties and the township of Wesham. That will be very unwelcome and that can only be a public nuisance.
- d) The protection of children from harm:- it is well observed, that are many children attending the supermarkets and shops in Wesham and Kirkham, and not accompanied by an adult. With the new supermarket opening with the Mill Farm complex and the Sports Stadium, being of an additional attraction to children, it can be an obvious problem in preventing any harm to those children.

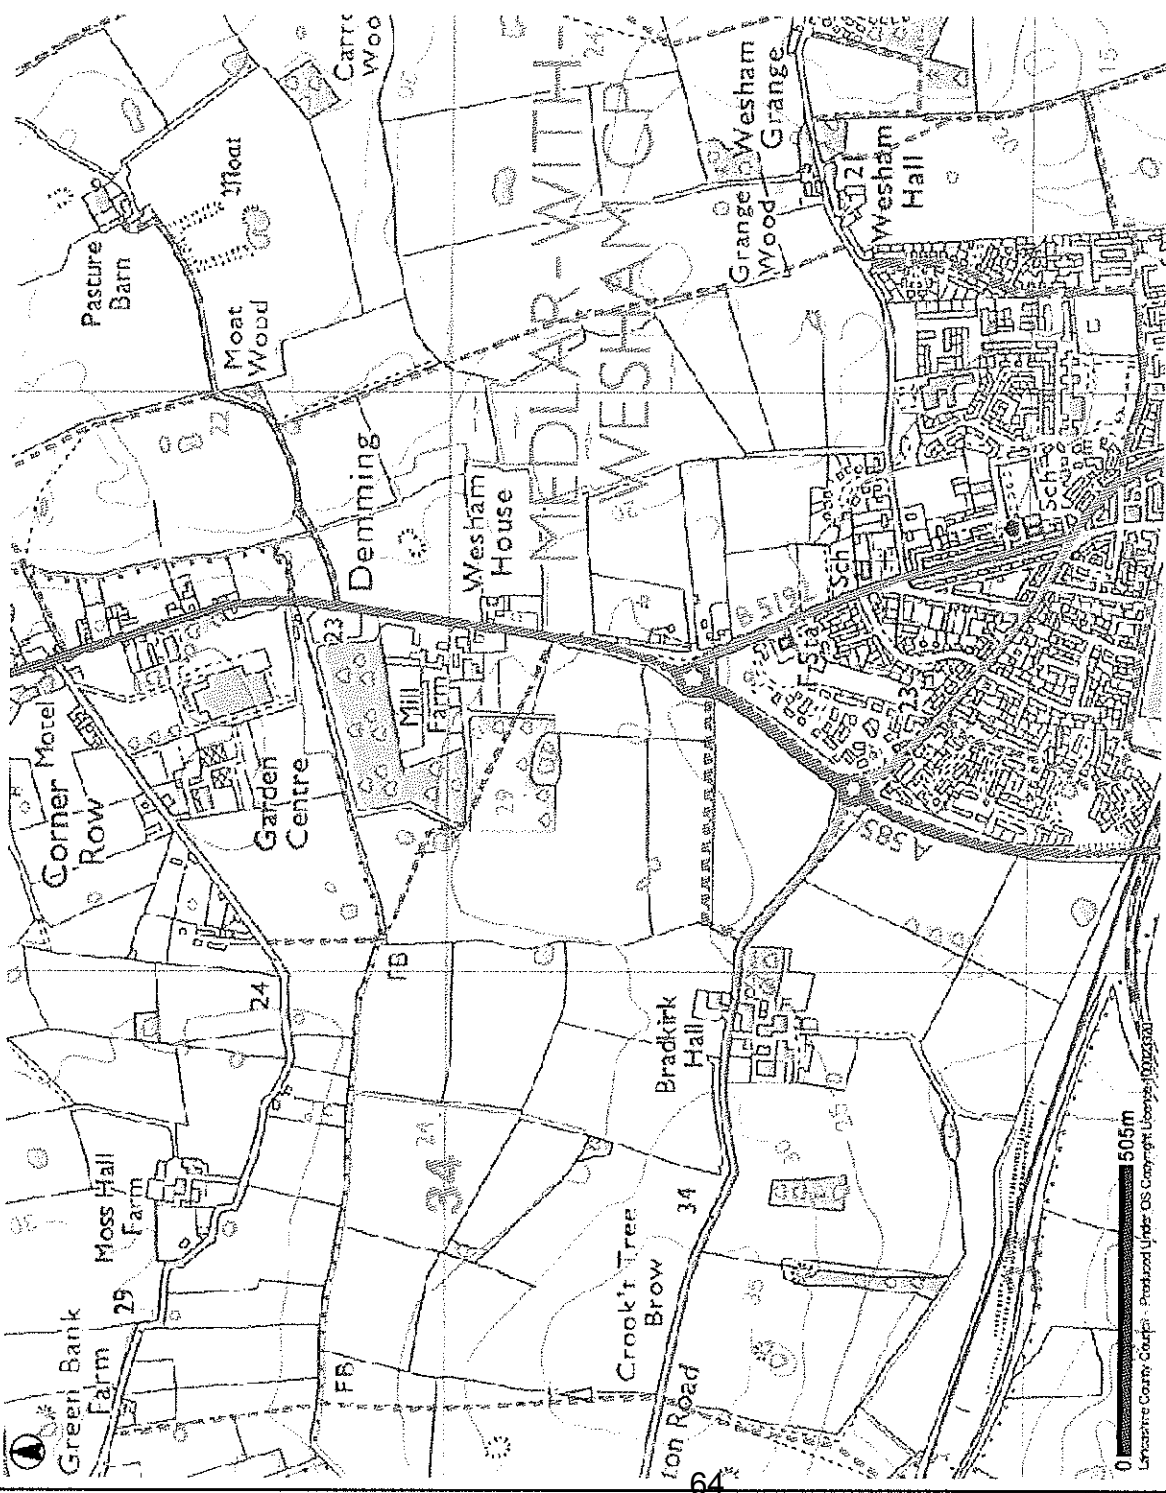

Therefore, in view of the aforementioned, I submit my formal objection to the application for a Premises Licence for the Sports Stadium.

Yours faithfully,

Ian Mowbray,
