Decision Items

4. Caravan Site Licensing – Laithes Lodge Caravan & Motorhome Site Licence

An application had been received from the site owner to amend the touring caravan site licence to increase the capacity from 10 touring caravans to 15 touring caravans.

Laithes Lodge had a touring caravan site licence for 10 caravans to be stationed on the site at any one time.

The site had planning consent, ref 20/0828, for an additional 5 caravans. Lancashire Fire and Rescue Services had been consulted on this application and had not expressed any concerns.

The Committee considered the request and RESOLVED to replace condition 1 of the holiday site licence, which currently provides "*The total number of caravans stationed on the site at any one time shall be such to as to enable compliance with the requirements of this schedule to be maintained and in any case shall not exceed 10*

(Ten)” to read “The total number of caravans stationed on the site at any one time shall be such as to enable compliance with the requirements of this schedule to be maintained and in any case shall not exceed 15 (Fifteen).”
