Period this report covers (date):	September 2018 to February 2019
Name of Outside Body:	Fylde and Wyre Health & Wellbeing Partnership
How often does the organisation meet? And how often have you attended?	About 4 times a year All... but apologies for the next one in March 2019
Key issues arising for Fylde Borough Council <i>Examples of issues could be those that may affect decisions regarding budget setting, challenges for residents, policy changes that affect partnership working etc</i> (continue on a separate sheet if necessary).	No issues as such....Our CCG (Blackpool and Wyre Clinical Commissioning Group) are already dealing with a HEALTHIER FYLDE COAST in conjunction with LCC. (This could be a Learning Hour plus for all Members)  *Tammy Bradley (Operations Director from Progress Housing group) gave a presentation on "Duty to Refer Homeless Reduction Act 2017" which names public bodies ie Housing Associations.
Who did you inform of these issues within Fylde Borough Council?	Kathy Winstanley (FBC) is also in the Partnership * Kirstine Riding (FBC Housing Service Manager)
In the light of these meetings, is it worthwhile for the Council to continue to have a representative/representatives on this body?	Yes very informative. And also deals with Local Issues. * Again a Learning Hour on a very important service.
Any further comments? (continue on a separate sheet if necessary)	Fylde are having more PRIMARY CARE Surgeries....getting together and working toward INTERGRATED CARE. Less Hospital care with more care in the Home.

Period this report covers  
(date): May to October

Name of Outside Body: Local Liason Springfield

How often does the  
organisation meet? And how  
often have you attended? Every six months

Key issues arising for Fylde  
Borough Council

The meeting took the form of the Saul Health and Safety reports. Everything was in order. The Works had undertaken a mock safety procedure where one of the chemicals used had needed Safety Organisations to deal with a possible chemical spill. The meeting made a statement “Springfield is a chemical plant which has low grade nuclear processes on site”. Quite a significant statement. The site ownership has changed

Examples of issues could be those that may affect decisions regarding budget setting, challenges for residents, policy changes that affect partnership working etc

Who did you inform of these  
issues within Fylde Borough  
Council? Committee

In the light of these meetings,  
is it worthwhile for the  
Council to continue to have a  
representative/representatives  
on this body? Yes

Any further comments?
