Priority Three – Partnership working to achieve our vision and values	
WHAT WILL WE DO?	HOW WILL WE DO IT?
<ul style="list-style-type: none"> • Explore ways to receive feedback from clients who have accessed the housing service at Fylde • Develop customer satisfaction exit survey 	<ul style="list-style-type: none"> • Clients do not generally complete survey forms giving feedback on service provision. There is a need to genuinely engage with clients to establish how they service worked for them and recommendations they would make to improve support. This could be via coffee morning with housed clients or e-survey on the website.
<ul style="list-style-type: none"> • Explore opportunities for a shared apprenticeship scheme with Progress Housing • Explore opportunities with Lancashire Volunteering Partnership – Mark Trent • Liaise with DWP to enable clients to take up the Movement to Work • Consider employment initiatives with M&S, Aldi • Hold service user forums to establish the support required to enter employment 	<ul style="list-style-type: none"> • Following LCC announced cuts to the Health and Wellbeing service in Lancashire, the withdrawal of the service will impact on support available for clients in both the social and rented sectors.
<ul style="list-style-type: none"> • Explore incentives for clients to encourage engagement with the service and self-help. To avoid clients leaving the support and presenting when their situation is more critical we need to consider approaches to ensure continued engagement with the service. • Fylde to explore funding for personal development courses for client and identify the course as a support need 	<ul style="list-style-type: none"> • This could include Housing Coach – dedicated support with cooking, accessing benefits, utility bills - YMCA gymn membership to promote health and well-being, starter packs, nominal vouchers for successful completion of a 6 month tenancy or mentoring scheme with clients who have already resolved their housing situation.
<ul style="list-style-type: none"> • Facilitate Fylde Homeless Forum on a 6 monthly basis that brings all agencies that provide homeless support services in Fylde together. 	<ul style="list-style-type: none"> • Under the Homeless Trailblazer project the Forum ran across three local authorities, however many organisations did not attend when held in neighbouring authorities. The Forum will be re-established with a focus for Fylde to update on work

	within organisations, discuss barriers to provision, funding and opportunities for joint working.
<ul style="list-style-type: none"> Continue to work with partners under the Homeless Partnership Agreement and facilitate regular quarterly meetings 	<ul style="list-style-type: none"> Agencies that work with Fylde to provide support for households facing homelessness include Progress Housing, Human Kind, Key Floating Support and Key. All partners meet regularly to discuss service provision and address issues as clients access support.
<ul style="list-style-type: none"> Undertake Equality Impact Assessment (EIA) of temporary accommodation provided in Fylde and identify gaps in service provision for household types and evaluate if provision is meeting client needs. 	<ul style="list-style-type: none"> EIA will provide reassurance that temporary accommodation available meets the numbers and make-up of clients presenting to the local authority or not under homeless legislation. An emerging need over the past 12 months has been a requirement for crisis bed accommodation for 5 nights to avoid B&B use out of borough.
<ul style="list-style-type: none"> Identify gaps in provision of temporary accommodation develop an approach to address the gaps to meet the needs of households facing homelessness 	<ul style="list-style-type: none"> Visits to local authorities and charities operating in a similar way as Fylde Council to see how they have developed their housing service following the introduction of the HRA 2018 and addressing their temporary accommodation needs.
<ul style="list-style-type: none"> Consider the future of Face to Face, YMCA rent bond scheme in light of the changes with local authority housing services as a result of the HRA 2018 	<ul style="list-style-type: none"> The number of clients sourcing accommodation through the Rent Bond Scheme run in partnership with YMCA has fallen since the introduction of the HRA 2018. The benefit of the scheme was more prominent prior to the HRA where they worked with clients to access tenancies enabled by a paper bond. The new prevention and relief duties placed on local authorities has resulted in these clients now being supported directly by the local authority into the private rented sector.
