

BRYNING WITH WARTON NEIGHBOURHOOD DEVELOPMENT PLAN

DECISION STATEMENT

(The Neighbourhood Planning (General) Regulations 2012 – Part 5, paragraph 18 (2))

Introduction

Under the Town and Country Planning Act 1990 (as amended), Fylde Borough Council has a statutory duty to assist communities in the preparation of neighbourhood development plans and orders and to take plans through a process of examination and referendum. The Localism Act 2011 (Part 6 Chapter 3) sets out the local planning authority's responsibilities under neighbourhood planning.

This statement confirms that following an Independent Examination, Fylde Borough Council now confirms that subject to the modifications proposed by the Examiner's Report that the Submission version of the Bryning with Warton Neighbourhood Development Plan (the Plan) should proceed to a Neighbourhood Planning Referendum.

Background

Bryning with Warton Parish Council, as the qualifying body successfully applied for Bryning with Warton Parish to be designated as a Neighbourhood Area under the Neighbourhood Planning (General) Regulations 2012. The Neighbourhood Area designation was approved by Fylde Council on 25 October 2013.

The Bryning with Warton Neighbourhood Development Plan was published by Bryning-with-Warton Parish Council for pre-submission consultation (under Regulation 14) in July 2014 for a period of six weeks.

Following the submission of the Bryning with Warton Neighbourhood Development Plan (Submission version), to Fylde Council in September 2014 in accordance with the requirements of Regulation 15 of the Neighbourhood Planning (General) Regulations 2012, the Plan was publicised and comments were invited over a six week consultation period, which ran from 9 October 2014 to 28 November 2014.

However, after careful deliberation the Plan was delayed from going to Independent Examination due to the then pending outcome of the Blackfield End Farm planning appeal, the result of which had the potential to have a significant impact on the Plan.

After receiving the appeal decision (which was significantly delayed) Bryning with Warton Neighbourhood Plan Steering Group (NPSG) were advised by Fylde Council to revise the Plan taking into account the outcome of that appeal decision and the number of dwellings now approved at Warton. However, the Bryning with Warton Steering Group chose to keep the Plan as originally drafted.

Therefore, Fylde Council, with the agreement of Bryning-with-Warton Parish Council appointed an Independent Examiner, Mr Nigel McGurk BSc (Hons) MCD MBA MRTPI to review the Plan and to consider whether it met the 'Basic Conditions' required by legislation and whether it should proceed to referendum.

The Examiner's report was received on 7 April 2016, and concluded that subject to a number of recommended modifications (which were identified in the Examiner's report) that the Bryning with Warton Neighbourhood Development Plan should proceed to Referendum. The Examiner further advised that the Referendum Area should be the same as the designated Neighbourhood Area, which is the same as the administrative boundary for the Bryning-with-Warton parish.

Following receipt of the Examiner’s report, members from both Fylde Council and the Bryning-with-Warton Neighbourhood Steering Group (NPSG) met to discuss the Examiner’s report and his findings. At this meeting two options for progressing the Plan were put forward. Option 1 – to accept all the recommended modifications and proceed to referendum, or Option 2 - the NPSG withdraw the Plan and address the recommended modifications with further evidence and justification, and re-doing the policies within the Plan. Following on from this meeting the NPSG held an emerging meeting of the steering group to discuss the proposed recommended modifications.

The NPSG took the decision to hold a public meeting to ask local residents what their opinion was on progressing the Plan. Following this meeting the NPSG took the decision to accept the Examiner’s modifications and proceed to referendum.

Decision and Reasons

Fylde Council has determined that subject to the modifications suggested by the Examiner the Bryning with Warton Neighbourhood Development Plan meets with the Basic Conditions specified in paragraph 8(2) of Schedule 4B of the Town and Country Planning Act 1990 and is compatible with the Convention Rights and complies with provision made by or under Section 38A and 38B of the Planning and Compulsory Act 2004. Legislation requires that Fylde Council consider each of the modifications recommended and the reasons for them, and decide what action to take (see Table 1).

As a consequence, Fylde Council will accept all of the modifications recommended by the Examiner accordingly, in order for it to proceed to Referendum.

Furthermore, Fylde Council, concurs with the Examiner’s findings and considers that the Referendum Area should be as the approved Neighbourhood Area, as there would appear to be no reason to change or extend it, which covers the entire parish of Bryning-with-Warton.

The list of modifications and actions required are set out in the following table. As a consequence of these changes the NDP (Referendum version) has been re-formatted accordingly to take into account amended paragraph numbers and page numbers etc.
