Any question(s) will be heard during the Council meeting on 5 July 2021 and a response will be given by the Leader of the Council or any other member nominated by her.

#### Question 1 from L Skinner

1. Are you seriously contemplating not accommodating the Little Train in the finished works?
2. How would the increased height of the wall affect the lifeboat station?
3. How would the increased height impact on the sea views?
4. How many times in recent history has the sea caused flooding along this stretch?
5. What about the stretch of dunes between Fairhaven and this new proposed area?

#### Question 2 from H Leeming

*“Given the strength of public opinion in regard to saving St. Annes Miniature Railway, can the council please confirm that they are now fully committed to finding a solution that includes the attraction being retained on the seafront and promenade. Our written petition remains ongoing receiving more signatures every day. While we had a very positive meeting with the council representatives in regard to our future, we still have no guarantees in terms of our lease being renewed and definitive plans for the future, when do the council feel they will be in a position to deliver this to us?”*
