Erratum Notice

Please be advised that an error has come to light since the publication of the Finance and Democracy Committee agenda, for the 20th March 2017 meeting.

The Outside Bodies report (agenda item 7), did not include in the list of current outside bodies, 'Blackpool Airport and Hillhouse Enterprise Zone Project Board'.

It also erroneously included Councillor Donaldson as a member of the Budget Working Group, when it should have read Councillor Richard Taylor.

Finally at Appendix 1 to the report, it included an incomplete table of reports. The table should have shown that the report for Blackpool Airport and Hillhouse Enterprise Zone Project Board had been returned on 10 March 2017, and there was a nil report for North West Employers as no meeting had been held.

The corrected report and appendix are attached.
