Late Observations Schedule

Schedule Items

<u>Item</u>	<u>App No</u>	<u>Observations</u>
2	14/0770	<p><u>Kirkham Town Council Comments</u> Due to the timing of the submission of the revised plans now under consideration the re-consultation with the Town Council was not sent in time for their comments to be reported in the agenda report. The comments of their consideration at the 2 June 2015 meeting are:</p> <p>"We should point out that the notification letter advising of amended plans stated 4 detached dwellings and the plan shows 3.</p> <p>We approve the 3 houses and not 4, with conditions that the landscaping is as agreed and as plans AO13/084/P/101 Rev C and AO13/084/P/103 Rev B"</p> <p><u>Officer Comments</u> The reference on the letter to 4 dwellings was an error that has since been corrected, and the scheme is certainly for 3 dwellings. The plans referred to in their comments are those under consideration.</p>
