

Item 5 – Question number 2

Received from Councillor Silverwood on 19 March 2019

After the publication of the agenda for the 25 March 2019 Council meeting, but before the deadline for submission of questions, a question was received from Councillor Silverwood.

The question will be asked under agenda item 5.

*“Is it the case that an eminent charity-law barrister has provided her professional opinion that Lytham Institute is not owned by the Council but is held - like Lowther Gardens - on Charitable Trusts?”*

*Is it also the case that the Charity Commission - on seeing the barrister's legal opinion - has written to the Council advising us of our responsibilities as trustee of the Lytham Institute?*

*And if these are the case, will the Council now register Lytham Institute with the Charity Commission, or will we wait for the Attorney General - he of the infamous codpiece - to prosecute the Council for its failure to do so?”*
