REPORT

1. The Gambling Act 2005 requires the licensing authority (Fylde Borough Council) to prepare a Statement of Gambling Policy every three years.
2. The Authority's current Statement of Gambling Policy was adopted by Council on the 14th December 2015 and is due for renewal.
3. Members will be aware that Fylde Borough Council has responsibility under the Act to issue premises licences, permits and temporary use notices in respect of premises where it is proposed that gambling should take place. Additionally, the Authority is responsible for the registration of Small Society Lotteries.
4. S25 of the Gambling Act requires the Gambling Commission to issue Guidance to Licensing Authorities on the discharge of functions under the Act. The Guidance was originally issued in April 2006 and dealt primarily with matters intended to assist the Licensing Authorities in the development of Gambling Policy.
5. The Guidance has been subject to several revisions, the latest being in September 2015 (parts updated in September 2016) following emerging issues since the implementation of the Act. This Guidance sets out the principles that must be applied by the Licensing Authority in exercising its functions under the Act.
6. The draft revised Gambling Policy was issued for consultation on the 3rd December 2018 and the final date for any comments to the proposals was 12th January 2019. There were no responses to the Consultation apart from a number of recommendations from the Councils legal officer which have been included.
7. The existing Policy has been kept under review since coming into force and no revision has been deemed necessary to the existing policy apart from references which have become outdated and an update at part 4 concerning Local Risk Assessments.
8. The Act requires the Council to consult with various groups before the Policy is determined as follows:
 - the Chief Officer of Police for the authority's area
 - one or more persons who appear to the authority to represent the interests of persons carrying on gambling businesses in the authority's area
 - one or more persons who appear to the authority to represent the interests of persons who are likely to be affected by the exercise of the authority's functions under this Act
9. The Consultation included:
