## The Motion

1. The following Notice of Motion has been received:

“Lancashire Combined Fire and Rescue Authority remains committed to delivering the best possible service to our communities with the available resources. We continue to work productively and effectively with a range of stakeholders. We also acknowledge the new statutory duty to collaborate with other emergency services, while recognising many initiatives were already in place or development irrespective of this mandate.

The Authority remains confident that current governance arrangements present the best way to deliver a fire and rescue service for our communities. The Fire and Rescue Authority will provide the information required for the work proposed by the PCC, which they believe will evidence that they are already effectively progressing collaborative opportunities within existing structures.

Consequently, this Council is opposed to any proposals that transfer any current responsibilities of the Fire and Rescue Authority in Lancashire to the Police and Crime Commissioner.

Fylde Council, therefore, asks the Chief Executive to write to the Police and Crime Commissioner and the Home secretary explaining this view, sending copies to all Lancashire members of Parliament.”

The Notice of Motion has been duly proposed by Councillor Ben Aitken.
