ISSUES RAISED WITH THE MONITORING OFFICER			

PUBLIC ITEM

This item is for consideration in the public part of the meeting.

SUMMARY OF INFORMATION

The Monitoring Officer has been appointed as Proper Officer to receive allegations of failure to comply with the Code of Conduct regarding councillors, town and parish councillors and co-opted members. The Monitoring Officer has delegated authority, after consultation with the 'Independent Person', to determine whether an allegation of members' misconduct requires investigation and arrange such an investigation.

The Monitoring Officer should seek resolution of complaints without formal investigation wherever practicable and she has the discretion to refer matters to the Audit and Standards Committee where she feels it is inappropriate for her to take a decision on a referral for investigation. She should also periodically prepare reports for the Audit and Standards Committee on the discharge of this function.

In order to keep the Audit and Standards Committee informed as to the number and general nature of matters brought to her attention; reports on the discharge of the function of Monitoring Officer are brought on a periodic basis.

It is a point of clarification that there are a number of stages in dealing with reported matters. Some matters are brought to the attention of the Monitoring Officer without merit. In instances where a breach may have been considered to arise, and in line with agreed procedures, wherever possible the Monitoring Officer should seek the resolution of complaints without the need for formal investigation.

INFORMATION

1. The tables below shows the nature of the allegations made in the complaints since last reported to the Audit and Standards Committee on 18 January 2018. Complainants do not need to specify a relevant part of the code where they believe a breach has occurred (and indeed some of these complaints relate to differing codes dependant on when the complaint originates). For the purpose of the table below, the Monitoring Officer has made a judgement and grouped them accordingly.
2. One complaint has also been closed during the period, following an agreed resolution of the matter by way of the issue of an apology, post-investigation following a formal investigation of the matter by Mark Towers, of Blackpool Council under reciprocal arrangements.
