<b>CAR PARKING ANNUAL REPORT 2015/16</b>			

## PUBLIC ITEM

This item is for consideration in the public part of the meeting.

### SUMMARY OF INFORMATION

Each year Local Authorities are expected to produce and publish an annual report to present financial and statistical information relating to Local Authority parking operations to the public. This information item is presented to the committee to advise them of the report for 2015/16 and highlight key points from this.

### INFORMATION

1. Statutory Guidance is provided by Central Government as to how Local Authority parking services may be operated. Part of this stipulates that certain statistical and financial information must be made public via an annual report. In addition the Transparency Code requires further information to be made public. The Fylde Parking Annual Report 2015/16 includes information required for both of these.
2. Key financial points to emerge from this report is that in 2015/16 parking enforcement income and costs incurred a £27,155 deficit while car park operation income and costs resulted in a £327,690 surplus; a total Parking Services surplus of £300,535. This income to the Council has been used to help support other services via the Council's general fund.
3. From the Council's enforcement activities the total number of Penalty Charge Notices (PCNs) issued during the year fell slightly from previous years; possibly as a result of improved compliance by customers as a result of improved signage and greater awareness of enforcement activity. Of 1,865 PCNs issued almost 80% resulted in payment. 20% of PCNs were cancelled, mainly as a result of successful challenges where reasonable grounds were provided why a PCN should not be paid. This demonstrates that Parking Services, while enforcing the car parks' conditions of use, will take into account extenuating or mitigating circumstances when considering challenges and exercise fair and proportionate discretion where appropriate.
4. If a person has formally challenged a PCN and it has been rejected they are able to appeal their case to the Traffic Penalty Tribunal where an independent adjudicator will review all case evidence. In 2015/16, of the 1,865 PCNs issued during the year, 5 cases (only 0.27% of all PCNs) went to the tribunal, all of which were found in favour of Fylde Council.

5. The Fylde Parking Annual Report 2015/16 can be viewed by the public in the 'Transparency' section of the Council's website.
