2. Section 61 of the Local Government (Miscellaneous Provisions) Act 1976 states "a district council may suspend or revoke or refuse to renew the licence of a driver of a Hackney Carriage or a Private Hire vehicle on any of the following grounds":-

 - a. note the report
 - b. issue a warning letter
 - c. suspend the licence
 - d. revoke the licence

IMPLICATIONS	
Finance	No implications arising directly from the report.
Legal	<p>The Committee should have regard to the requirements of fairness and proportionality and to the European Convention of Human Rights in reaching its decision. However, the purpose of the system of driver licensing is to protect the public. If the committee considers that it should suspend or revoke the licence in order to protect the public, it should not concern itself with the effect on the applicant.</p> <p>Where the council has adopted a policy which applies to a particular matter, it must take the policy into account when making its decision. Although it is not bound to follow the policy, any decision that is contrary to it should be supported and explained by clear and adequate reasons for departing from the policy.</p>

Appendix A - Taxi and PHV Licensing Criminal Convictions' Policy

1.	Introduction
1.1	The purpose of this policy is to provide guidance on the criteria taken into account by the council when determining whether or not an applicant or an existing licence holder is a fit and proper person to hold a hackney carriage and/or private hire vehicle licence.
1.2	<p>The overriding aim of the licensing authority is to protect the safety of the public. The licensing authority is concerned to ensure:</p> <ul style="list-style-type: none"> • That a person is a fit and proper person. • That the person does not pose a threat to the public. • That the public are safeguarded from dishonest person. • The safeguarding of children, young persons and vulnerable adults.
1.3	<p>The term " fit and proper person" for the purposes of licensing is not legally defined and in assessing whether someone is "fit and proper" the Council will consider the following together with any other relevant information:</p> <ul style="list-style-type: none"> • Criminality • Human rights • Period of holding a driver's licence • Number of penalty points endorsed on driving licence • Right to work • Medical fitness • Conduct of the applicant in making the application (e.g. whether they have acted with integrity during the application process) • Previous licensing history of existing and former licence holders <p>In addition the Council will also consider further information provided by sources such as the Police (including abduction notices), Children and Adult Safeguarding Boards and other statutory agencies.</p>
1.4	<p>This policy provides guidance to any person with an interest in hackney carriage and private hire licensing. In particular, but not exclusively:</p> <ul style="list-style-type: none"> • Applicants for drivers' licenses • Existing licensed drivers whose licences are being reviewed • Licensing officers • Members of the Public Protection Committee • Magistrates hearing appeals against local authority decisions
1.5	Where licensing officers have delegated powers to grant licences, they will utilise these guidelines when making a decision to grant a licence. In all other cases applications for licences will be referred to the Public Protection Sub-Committee. Whilst officers and the Sub-Committee will have regard to the guidelines contained in the policy, each case will be considered on its individual merits and, where the circumstances demand, the committee/officer may depart from the guidelines.

2	General policy
2.1	There may be occasions where it is appropriate to depart from the guidelines, for example where the offence is a one-off occasion or there are mitigating circumstances or alternatively where there are many or continuous offences which may show a pattern of offending and unfitness.
2.2	<p>A person with a conviction for a serious offence need not be automatically barred from obtaining a licence, but would normally be expected to:</p> <ul style="list-style-type: none"> a. Remain free of conviction for an appropriate period; and b. Show adequate evidence that he or she is a fit and proper person to hold a licence (the onus is on the applicant to produce such evidence). <p>(Simply remaining free of conviction may not generally be regarded as adequate evidence that a person is a fit and proper person to hold a licence).</p>
2.3	Where an applicant has been convicted of a criminal offence, the licensing authority cannot review the merits of the conviction [Nottingham City Council v. Mohammed Farooq (1998)].
3	Appeals
3.1	Any applicant refused a driver's licence on the grounds that the licensing authority is not satisfied he is a fit and proper person to hold such a licence has a right to appeal to the Magistrates' Court within 21 days of the notice of refusal.
3.2	Any applicant refused an operator licence on the grounds that the licensing authority is not satisfied he is a fit and proper person to hold such a licence has a right to appeal to the Magistrates' Court within 21 days of the notice of refusal.
3.3	Any licensee whose licence is suspended or revoked has a right to appeal to the Magistrates' Court within 21 days of the notice of suspension or revocation.
4	Powers
4.1	Section 61 and Section 62 of the Local Government Miscellaneous Provisions Act 1976 allow the licensing authority to suspend, revoke or refuse to renew a licence if the application/licence holder has been convicted of an offence involving dishonesty, indecency, violence; failure to comply with the provisions of the Town Police Clauses Act 1847; failure to comply with the provisions of Part II of the Local Government (Miscellaneous Provisions) Act 1976; or any other reasonable cause.
4.2	The Rehabilitation of Offenders Act 1974 (Exceptions) (Amendment) Order 2002, allows the licensing authority to take into account all convictions recorded against an applicant or the holder of a private hire vehicle or hackney carriage driver's licence, whether spent or not. Therefore the licensing authority will have regard to all relevant convictions, particularly where there is a long history of offending or a recent pattern of repeat offending.
4.3	In this policy the term "disqualification" refers to the period served, in order to

	take account of the fact that a court may reduce the period of disqualification from driving. An applicant must provide evidence in advance to prove that the court agreed a reduction in the period of disqualification.
5	Consideration of disclosed criminal history
5.1	<p>Under the provisions of Sections 51, 55, and 59, Local Government (Miscellaneous Provisions) Act 1976, the licensing authority is required to ensure that an applicant for the grant or renewal of a hackney carriage and/or a private hire vehicle drivers' licence and/or private hire vehicle operators licence is a 'fit and proper' person to hold such a licence. However, if an applicant has any convictions, warnings, cautions or charges awaiting trial, the licensing authority will look into:</p> <ul style="list-style-type: none"> • How relevant the offence(s) are to the licence being applied for • How serious the offence(s) were • When the offence(s) were committed • The date of conviction • Circumstances of the individual concerned • Sentence imposed by the court • The applicant's age at the time of conviction. • Whether they form part of a pattern of offending • Any other character check considered reasonable (e.g. personal references) • Any other factors that might be relevant
5.2	Existing holders of drivers' licences are required to notify the licensing authority in writing within seven days of being arrested, receiving a driving licence endorsement, fixed penalty notice or criminal conviction (including cautions).
5.3	Applicants can discuss further what effect a caution/conviction may have on any application by contacting the licensing office on 01253 658422 in confidence for advice.
5.4	The licensing authority conducts enhanced disclosures from the Disclosure and Barring Service (DBS) of any applicant for a driver licence. The licensing authority follows the DBS's Code of Practice on the fair use of disclosure information. A copy is available on request.
5.5	Applicants applying for the grant or a renewal of a drivers' licence will be required to obtain an enhanced disclosure at their expense. Applicants for an operator's licence will be required to obtain a standard DBS check at their own expense (unless they are the holder of a current hackney carriage or private hire drivers licence issued by Fylde Council). The licensing authority abides by the DBS's Policy on the secure storage, handling, use, retention and disposal of disclosure information, which is available on request.
5.6	The licensing authority is also entitled to use other records and information that may be available to it in determining applications or an entitlement to continue holding a licence. This may include information held by the licensing authority or other licensing authorities, and information disclosed by the police.
5.7	It is an offence for any person knowingly or recklessly to make a false

	declaration or to omit any material particular in giving information required by the application for a licence. Where an applicant has made a false statement or a false declaration on their application for the grant or renewal of a licence, the licence will normally be refused.
5.8	For renewal applications and current licence holders the policy will not be applied retrospectively where there are no new concerns or convictions. The policy will be applied to existing licence holders if any additional convictions are incurred or they are otherwise brought to the attention of the Council for conduct that would call into question a person's suitability to hold a licence.
5.9	Offences not covered by this Policy will be considered by the Council when determining whether the applicant/licensed driver is a fit and proper person.
6	Serious offences involving violence
6.1	Licensed drivers have close regular contact with the public. A firm line is to be taken with those who have convictions for offences involving violence. An application will normally be refused if the applicant has a conviction for an offence that involved the loss of life.
6.2	In other cases anyone of a violent disposition will normally be refused to be licensed until at least 3 years free of such conviction. However, given the range of the offences that involve violence, consideration must be given to the nature of the conviction.
6.3	Unless there are exceptional circumstances a licence will not normally be granted where the applicant has a conviction for an offence such as: <ul style="list-style-type: none"> • Murder • Manslaughter • Manslaughter or culpable homicide while driving • Terrorism offences • Or any similar offences (including attempted or conspiracy to commit) offences which replace the above
6.4	A licence will not normally be granted where the applicant has a conviction for an offence or similar offence to those below and the conviction is less than 10 years prior to the date of application: <ul style="list-style-type: none"> • Arson • Malicious wounding or grievous bodily harm which is racially aggravated • Actual bodily harm which is racially aggravated • Grievous bodily harm with intent • Robbery • Possession of firearm • Riot • Assault Police • Common assault with racially aggravated • Violent disorder • Resisting arrest • Or any similar offences (including attempted or conspiracy to commit) offences which replace the above

6.5	<p>A licence will not normally be granted where the applicant has a conviction for an offence or similar offence to those below and the conviction is less than 5 years prior to the date of application:</p> <ul style="list-style-type: none"> • Racially-aggravated criminal damage • Racially-aggravated offence • Or any similar offences (including attempted or conspiracy to commit) offences which replace the above
6.6	<p>A licence will not normally be granted where the applicant has a conviction for an offence or similar offence(s) which replace the below offences and the conviction is less than 3 years prior to the date of application:</p> <ul style="list-style-type: none"> • Common assault • Assault occasioning actual bodily harm • Affray • S5 Public Order Act 1986 offence (harassment, alarm or distress) • S.4 Public Order Act 1986 offence (fear of provocation of violence) • S4A Public Order Act 1986 offence (intentional harassment, alarm or distress) • Obstruction Page 24 of 49 • Criminal damage • Or any similar offences (including attempted or conspiracy to commit) offences which replace the above
6.7	<p>A licence will not normally be granted if an applicant has more than one conviction in the last 10 years for an offence of a violent nature.</p>
6.8	<p>In the event of a licence being granted, a strict warning both verbally and in writing should be administered.</p>
7	Possession of a weapon
7.1	<p>If an applicant has been convicted of possession of a weapon or any other weapon related offence, this will give serious concern as to whether the person is fit to carry the public.</p>
7.2	<p>Depending on the circumstances of the offence, an applicant should be free of conviction for 3 years (or at least 3 years must have passed since the completion of the sentence, whichever is longer), before a licence is granted</p>
8	Sex and indecency offences
8.1	<p>As licensed drivers often carry unaccompanied and vulnerable passengers, applicants with convictions for sexual offences must be closely scrutinized. Those with convictions for the more serious sexual offences will generally be refused. For other offences, applicants will be expected to show a substantial period free of conviction for such offences before a licence will be granted.</p>
8.2	<p>Unless there are exceptional circumstances, an application will normally be refused where the applicant has a conviction for an offence such as:</p> <ul style="list-style-type: none"> • Rape • Assault by penetration • Offences involving children or vulnerable adults • Sexual assault

	<ul style="list-style-type: none"> • Indecent assault • Exploitation of prostitution • Grooming, Trafficking for sexual exploitation or other sexual exploitation related offences • Possession of indecent photographs, child pornography etc. • Or any sex or indecency offence that was committed in the course of employment as a taxi or PHV driver • Or any similar offences (including attempted or conspiracy to commit) offences which replace the above.
8.3	<p>Before an application will be considered, an applicant should be free of conviction for at least 10 years (or at least 5 years must have passed since the completion of the sentence, whichever is longer), if he/she has a conviction for an offence such as:</p> <ul style="list-style-type: none"> • Indecent exposure • Soliciting (kerb crawling) • Or any similar offences (including attempted or conspiracy to commit).
8.4	In addition to the above the licensing authority will not normally grant a licence to any applicant who is currently on the Sex Offenders Register.
8.5	A licence will not normally be granted if an applicant has more than one conviction for a sexual/indecency offence.
9	Dishonesty
9.1	<p>A licensed PHV or taxi driver is expected to be a trustworthy person. They deal with cash transactions and valuable property may be left in their vehicles. The widespread practice of delivering unaccompanied property is indicative of the trust that business people place in licensed drivers. Moreover, it is comparatively easy for a dishonest driver to defraud the public by demanding more than the legal or agreed fare, etc. Drivers may well deal with customers who are vulnerable or intoxicated and potentially easily confused. For all these reasons, a serious view is taken of any conviction involving dishonesty.</p>
	<p>In general, a minimum period of 3 years free of conviction or at least 3 years from completion of sentence (whichever is longer) should be required before granting a licence. Offences involving dishonesty include:</p> <ul style="list-style-type: none"> • theft • burglary • fraud • benefit fraud • handling or receiving stolen goods • forgery • conspiracy to defraud <p>Page 26 of 49 Hackney Carriage and Private Hire Licensing Policy 2016</p> <ul style="list-style-type: none"> • obtaining money or property by deception • other deception • taking a vehicle without consent • and any similar offences • Or any similar offences (including attempted or conspiracy to commit)

	offences which replace the above
9.3	A licence will not normally be granted if an applicant has more than one conviction for a dishonesty offence.
9.4	Applicants or existing licence holders that are found to have intentionally misled the Council, or lied as part of the application process, will not normally be issued with a licence.
10	Drugs
10.1	A serious view is taken of any drug related offence. The nature and quantity of the drugs, whether for personal use or supply are issues which should be considered.
10.2	A licence will not normally be granted where the applicant has a conviction for an offence related to the supply of drugs and has not been free of conviction for 5 years.
10.3	A licence will not normally be granted where the applicant has more than one conviction for offences related to the possession of drugs and has not been free of conviction for 5 years.
10.4	An applicant who has an isolated conviction for an offence related to the possession of drugs (other than for supply) within the last 3-5 years may be granted a licence, but consideration should be given to the nature and quantity of the drugs.
10.5	If there is evidence of persistent drugs use, misuse or dependency a specialist medical examination (in accordance with DVLA Group 2 medical standards) may be required before the licence is granted. If the applicant was an addict then they would normally be required to show evidence of 5 years free from drug taking after detoxification treatment.
10.6	A licence will not normally be granted if an applicant has more than one conviction for a drugs related offence.
11	Driving offences involving the loss of life
11.1	A very serious view is to be taken of any applicant who has been convicted of a driving offence that resulted in the loss of life.
11.2	Unless there are exceptional circumstances a licence will not normally be granted where the applicant has a conviction for an offence such as: <ul style="list-style-type: none"> • Causing death by dangerous driving • Causing death by careless driving whilst under the influence of drink or drugs • Causing death by driving: unlicensed, disqualified or uninsured drivers • or any similar offences
12	Drink driving/driving under the influence of drugs/using a mobile phone whilst driving

12.1	As licensees are professional vocational drivers, a serious view is taken of convictions for driving, or being in charge of a vehicle while under the influence of drink or drugs. An isolated incident would not necessarily debar an applicant from proceeding on the restoration of his DVLA driving licence but he should be warned as to the significant risk to his licence status in the event of re-offending. Normally at least 3 years, after the restoration of the driving licence following a drink/drug drive conviction should elapse before an application will be considered. If there is any suggestion that the applicant is alcohol or drug dependent, a satisfactory special medical report must be provided before the application can be allowed to proceed.
12.2	Applicants should also be aware of the serious risk posed by driving whilst using a mobile phone. There is a substantial body of research (see for instance http://www.rospa.com/rospaweb/docs/advice-services/road-safety/drivers/mobile-phone-report.pdf) which shows that drivers who use a mobile phone suffer physical and cognitive distraction which means they : <ul style="list-style-type: none"> • are much less aware of what's happening on the road around them • fail to see road signs • fail to maintain proper lane position and steady speed • are more likely to 'tailgate' the vehicle in front • react more slowly, take longer to brake and longer to stop • are more likely to enter unsafe gaps in traffic • feel more stressed and frustrated
12.3	There is evidence to show that drivers who use a mobile phone have slower reaction times than those who have consumed up to the legal alcohol limit. In light of this, an equally serious view should be taken of convictions for driving whilst using a mobile phone as for driving under the influence of drink or drugs.
12.4	A licence will not normally be granted if an applicant has more than one conviction for an offence of driving under the influence of drink or drugs or whilst using a mobile phone.
13	Licensing offences
13.1	Certain offences under taxi legislation such as plying for hire, overcharging and refusing to carry disabled persons would normally prevent a licence being granted or renewed until a period of 3 years has passed since.
13.2	A licence will not normally be granted if an applicant has more than one conviction for a licensing related offence.
14	Insurance Offences
14.1	A serious view will be taken of convictions of driving or being in charge of a vehicle without insurance. An isolated incident in the past will not necessarily stop a licence being granted provided he/she has been free of conviction for 3 years, however strict warning should be given as to future behaviour.
14.2	A licence will not normally be granted if an applicant has more than one conviction for an insurance related offence.

14.3	An operator found guilty of aiding and abetting the driving of passengers for hire and reward whilst without insurance will normally have his operators' licence revoked immediately and be prevented from holding a licence for at least three years.
15	Outstanding charges or summonses
15.1	If the individual is the subject of an outstanding charge or summons their application can continue to be processed, but the application will need to be reviewed at the conclusion of proceedings.
15.2	If the outstanding charge or summons involves a serious offence and the individual's conviction history indicates a possible pattern of unlawful behaviour or character trait, then in the interests of public safety the application may be put on hold until proceedings are concluded or the licence may be refused.
16	Non-conviction information
16.1	If an applicant has, on more than one occasion, been arrested or charged, but not convicted, for a serious offence which suggests he could be a danger to the public, consideration should be given to refusing the application.
16.2	In assessing the action to take, the safety of the travelling public must be the paramount concern.
17	Cautions
17.1	Admission of guilt is required before a caution can be issued. Every case will be considered on its own merits including the details and nature of the offence.
18	Licences issued by other licensing authorities
18.1	Applicants who hold a licence with one licensing authority should not automatically assume that their application will be granted by another. Each case will be decided on its own merits.
18.2	Licensees who are licensed by multiple authorities are expected to inform all such authorities of the authorities that they are licensed by and to advise each authority of any changes in this respect; and should expect those authorities to share information regarding their conduct and to take it into account as appropriate.
19	Summary
19.1	To summarise, a criminal history in itself may not automatically result in refusal and a current conviction for a serious crime need not bar an applicant permanently from becoming licensed. As the preceding paragraphs indicate, in most cases, an applicant would be expected to remain free from conviction for 3 to 10 years, according to circumstances, before an application can be considered. However, there may be occasions when an application can be

	allowed before 3 years free from conviction have elapsed.
19.2	Any person who has committed an offence and has to wait before an application is positively considered is more likely to value their licence and act accordingly.
19.3	While it is possible that an applicant may have a number of convictions that, individually, meet the above guidelines, the overall offending history must be considered when assessing an applicant's suitability to be licensed. A series of offences over a period of time is more likely to give cause for concern than an isolated minor conviction. Obviously some discretion can be afforded if an offence disclosed is isolated and there are mitigating circumstances, but the overriding consideration is the protection of the public.

Section 1 – Introduction

4.1 Fit and Proper Person Test

Licensed drivers are in a position of trust transporting the young and vulnerable at all times of the day and night. The legislation requires that licences can only be granted if the Council is satisfied that the applicant is a fit and proper person.

Whilst there is no definition of a fit and proper person, decisions from the Courts over the years have come to the conclusion that the Council is effectively asking the following question:

Would you allow your son or daughter, spouse or partner, mother or father, grandson or granddaughter or any other person for whom you care, to get into a vehicle with this person alone?

During the application process the Council will undertake a number of checks to gather the information necessary to assess the suitability of the applicant.

Factors that will be taken into account when reaching a decision include:

- Criminality (whether the applicant has any criminal convictions or cautions)
- Driving Licence – length held and penalty points endorsed
- Right to work in the UK
- Medical Fitness
- General Conduct/standards of behaviour
- Conduct of the applicant during the application process
- Previous licensing history
- Knowledge of the Borough of Fylde, and other matters such as the Highway Code and taxi law
- Ability to communicate and understand English

This is not an exhaustive list of matters that will be considered and further information will be sought from other agencies such as the Police, Safeguarding Boards and other licensing authorities as appropriate.

Appendix A – Taxi and PHV Licensing Criminal Convictions’ Policy

1.3 The term “fit and proper person” for the purposes of licensing is not legally defined and in assessing whether someone is “fit and proper” the Council will consider the following together with any other relevant information:

- Criminality
- Human rights
- Period of holding a driver’s licence
- Number of penalty points endorsed on driving licence
- Right to work
- Medical fitness
- Conduct of the applicant in making the application (e.g. whether they have acted with integrity during the application process)
- Previous licensing history of existing and former licence holders

In addition the Council will also consider further information provided by sources such as the Police (including abduction notices), Children and Adult Safeguarding Boards and other statutory agencies.

1.5 Where licensing officers have delegated powers to grant licences, they will utilise these guidelines when making a decision to grant a licence. In all other cases applications for licences will be referred to the Public Protection Sub-Committee. Whilst officers and the Sub-Committee will have regard to the guidelines contained in the policy, each case will be considered on its individual merits and, where the circumstances demand, the committee/officer may depart from the guidelines.

2.4 All decisions on the suitability of an applicant will be made on the balance of probability. Applicants will not be given the benefit of the doubt and should the Public Protection Committee be only “50/50” as to whether the applicant is ‘fit and proper’ the licence will not normally be granted.

5.1 Under the provisions of Sections 51, 55, and 59, Local Government (Miscellaneous Provisions) Act 1976, the licensing authority is required to ensure that an applicant for the grant or renewal of a hackney carriage and/or a private hire vehicle drivers’ licence and/or private hire vehicle operators licence is a ‘fit and proper’ person to hold such a licence. However, if an applicant has any convictions, warnings, cautions or charges awaiting trial, the licensing authority will look into:

- How relevant the offence(s) are to the licence being applied for
- How serious the offence(s) were
- When the offence(s) were committed
- The date of conviction
- Circumstances of the individual concerned
- Sentence imposed by the court
- The applicant’s age at the time of conviction.
- Whether they form part of a pattern of offending
- Any other character check considered reasonable (e.g. personal references)
- Any other factors that might be relevant

5.6 The licensing authority is also entitled to use other records and information that may be available to it in determining applications or an entitlement to continue holding a licence. This may include information held by the licensing authority or other licensing authorities, and information disclosed by the police.

5.7 It is an offence for any person knowingly or recklessly to make a false declaration or to omit any material particular in giving information required by the application for a licence. Where an applicant has made a false statement or a false declaration on their application for the grant or renewal of a licence, the licence will normally be refused.

9.1 A licensed PHV or taxi driver is expected to be a trustworthy person. They deal with cash transactions and valuable property may be left in their vehicles. The widespread practice of delivering unaccompanied property is indicative of the trust that business people place in licensed drivers. Moreover, it is comparatively easy for a dishonest driver to defraud the public by demanding more than the legal or agreed fare, etc. Drivers may well deal with customers who are vulnerable or intoxicated and potentially easily confused. For all these reasons, a serious view is taken of any conviction involving dishonesty.
